Business On Line lets you directly manage the most important day-to-day aspects of your business banking. This means you can:

- ▶ View all balances and transactions on your Account held at any branch in the UK and Ireland. (The account balance is quoted as at close of business on the previous Business Day. In the case of retail accounts, items which have been presented on the Business Day of access are also shown

For more information refer to bankofirelanduk.com/openbanking.

Section 3: Your Borrowing Needs

3.1. Current Account Overdraft

Overdraft facilities are negotiated in advance and we offer competitive interest rates. The overdraft is usually subject to a set-up fee and subsequent annual overdraft fees. Always operate your Account within the authorised overdraft limit and if you know that this limit is likely to be exceeded, even for just 1 day, please discuss with your Account Manager in advance to arrange a temporary or permanent increase in your overdraft facility. We will charge fees and additional interest to your Account at the prevailing rates if you exceed your authorised limit. We may also refuse to make a payment from your Account if you have insufficient funds available. The appearance of a debit item on the account statement, which has given rise to the breaching of an authorised limit, is not in itself evidence that the item has been paid. The current rates of interest for unauthorised or informal overdrafts are detailed in our Rates & Products Guide. Fees for unauthorised overdrafts are set out in our Schedule of Charges for Business Customers Northern Ireland.

3.2. Commercial Card

The Bank of Ireland UK Commercial Card is a dedicated business expense management solution which simplifies and streamlines regular or occasional business expenses. Your employees can use it for their business expenditure or it can be used for specific spend such as office stationery, insurance premiums or other occasional office purchases.

Some of the advantages include:

- ▶ A single payment in full each month
- ▶ Ease of payment by direct debit
- ▶ Individual credit limits can be set
- ▶ An unlimited number of cards may be issued per account
- ▶ Monthly detailed individual and company statements
- ▶ Accepted at over 25 million outlets
- ▶ Saves time and simplifies completing expenses claims
- ▶ You can view card balances and Transaction history if you register with Business On Line.

If the card is lost or stolen, or if the PIN or card number becomes known to any unauthorised person, you must notify our Card Services immediately via the Freephone number listed on bankofirelanduk.com. You will be asked to confirm this instruction in writing within 7 days of the call.

If you have a complaint regarding your Commercial Card, you may contact Customer Services at:

Bank of Ireland Card Services
Operations Unit (2nd Floor)
Cabinteely
Dublin 18

3.3. Business Loan (Term Loan)

A Term Loan is a way to finance items of capital expenditure that your business may need. It can be used in conjunction with other lending products such as an overdraft, or as a stand-alone source of finance for a diverse range of business purposes including acquisitions, working capital, business expansion or property investment.

A Term Loan will provide you with more structured longer term finance over an agreed term, normally up to 10 years, though this will depend on the life span of the asset being financed. Rates are variable and will fluctuate in line with market interest rates.

Fixed rate loans are also available, for which specific terms and conditions will apply. Breakage fees may also apply. Flexible repayment options allow you to structure your repayments monthly, quarterly, half-yearly and annually by prior agreement. Lending criteria terms and conditions apply. Your Account Manager can provide you with information on the factors that determine the price of your lending.

- ▶ You are not required to open or maintain a business current account with us in order to obtain or manage a business loan.
- ▶ You are able to switch your Business Current Account to another provider while retaining your business loan with us.
- ▶ You are able to use another provider to manage your business banking while retaining your business loan with us.

3.4. Enterprise Finance Guarantee

Bank of Ireland UK is a participating lender in the Enterprise Finance Guarantee, a government loan guarantee scheme aimed at supporting the availability of working capital and investment funding for small and medium sized businesses in the UK.

Information regarding its eligibility criteria and the purpose for which the scheme may be used, is available from any of the Bank's branches or business centres.

3.5. Other Funding Requirements

In addition to our overdraft and lending services, we also underwrite potential liabilities to third parties such as Performance Bonds, Guarantees, and Letters of Credit. For detailed information, please contact your local branch or Account Manager.

3.6. Invoice Discounting

Invoice Discounting allows you to release the value of funds tied up in invoices outstanding by converting trade debts into cash. It can be confidential or disclosed to your customers, can operate on a recourse or non-recourse basis and can include cash flow protection and sales ledger management.

3.7. Asset Finance

We have a range of asset-based products which can help you to acquire or replace assets and enable you to grow. This is an ideal way to finance the purchase of cars, commercial vehicles, printing presses, machine tools and contractors' plant, because making payments over time spreads out the impact on your capital or cash flow.

Section 4: Financial Assessment, Security and Guarantees

4.1. Credit Reference Search

In order to process your application we will supply your personal information to credit reference agencies (CRAs) and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and recover debts and prevent criminal activity.

We will also continue to exchange information about you with CRAs on an ongoing basis, including about your settled accounts and any debts not fully repaid on time. CRAs will share your information with other organisations. Your data will also be linked to the data of your spouse, any joint applicants or other financial associates.

The identities of the CRAs, and the ways in which they use and share personal information, are explained in more detail in our Privacy Notice (bankofirelanduk.com/privacynotice).

4.2. Financial Assessment

Before we lend you any money, or increase your overdraft or borrowing limit, we will assess whether we think you will be able to repay it. Before we provide you with merchant services, we will assess whether we are able to meet your card-processing needs.

This assessment will probably include looking at the following:

- ▶ Information you give us, including information to prove your identity and why you want to borrow the money or use merchant services
- ▶ Your business plan and up-to-date financials and management accounts
- ▶ Your business cash flow, profitability and existing financial commitments
- ▶ Any personal financial commitments which may affect the business
- ▶ The level of facility you are applying for and whether or not you have considered all the costs
- ▶ How you have handled your finances in the past
- ▶ Your track record in business and your management ability and experience
- ▶ Information we get from credit reference agencies and, with your permission, others, such as other lenders
- ▶ Credit assessment techniques such as credit scoring
- ▶ Any security provided
- ▶ In order to complete our assessment, examples of the information required may include:
 - ▶ A comparison of the forecasts in your business plan against actual results
 - ▶ Progress on important parts of your business plan, such as renewing contracts
 - ▶ Detailed cash flow forecasts
 - ▶ Major capital spending proposals

- ▶ Details of amounts owed to creditors, amounts due from debtors and your debtors' profile
- ▶ Proof that you are meeting any special terms agreed between us
- ▶ Tax confirmation by an accountant.

If your circumstances change, we will discuss any new information we may need from you. We recommend that you get independent advice before accepting any facility. We will let you know how long it will take for a lending decision to be made. Under normal circumstances and subject to receipt of all necessary information, we will inform you of the decision on your application for credit within 2-3 Business Days. We will keep you informed of the progress of your application. If your application is successful we will write to you setting out our agreement both for our benefit and for yours. What is appropriate will vary from case to case and we will make our requirements clear. Your facility letter will be issued within one to two weeks of advising you of the approved decision. Times for perfection of security may vary dependant on security type and circumstance. We commit to instruct perfection of required security within 3 days.

If we decline an application for credit, or for an increase to an existing credit limit, we will:

- ▶ explain the reason why the application was declined
- ▶ explain how the application may be appealed
- ▶ offer the opportunity for the application to be referred to the Government Designated Finance Platforms.

How to appeal your declined credit application

Appeals should be sent in writing to the following address within 30 days of receiving the Bank's declined decision:

Bank of Ireland UK Credit Governance NI, 4th Floor
1 Donegall Square South Belfast BT1 5LR.

Referring your declined application to the Government Designated Finance Platforms

Under the Small Business Enterprise and Employment Act 2015, as a Government designated bank, we are obliged to offer you a referral to the Government Designated Finance Platforms. If we decline your application or you reject a facility offered on a different basis to the one you applied for, we will ask you for your verbal consent to refer your application to the Finance Platforms.

If you consent to a referral, we will provide specified information regarding your application to each of the Finance Platforms who will then make contact with you. Your specified information will not be passed on to any potential lenders until your further consent is given to the Finance Platform.

4.3. Security

If we ask you for security to support your borrowing or other liabilities, we will tell you why we need this security and we will confirm what we need in writing. We will make sure that any documents are easy to understand, by avoiding technical language whenever possible. We will make sure that you have the opportunity to discuss with us anything you are not sure about.

You should read the documents carefully and feel free to ask us questions and get independent advice, particularly if you are not sure about your liability. By law, you must keep to the

responsibilities set out in the documents, and you should only sign them if you understand what you are doing.

If you ask us, we will tell you under what circumstances we will agree to release the security.

4.4. Guarantees and Other Security From Another Person

We may agree to accept security provided by another person to support your business liabilities. If you want someone to act as a guarantor, or provide security for your facilities, we may provide confidential financial information to that person or to their legal adviser. If the guarantee, or other security, is provided by an individual rather than a business, we will also:

- ▶ Recommend that the person giving the guarantee takes independent legal advice to make sure that they understand their commitment and the possible consequences of their decision (where appropriate, the documents which we ask them to sign will contain this recommendation as a clear and obvious notice), and
- ▶ Tell them that by giving the guarantee or other security they may become liable instead of, or as well as, you, and
- ▶ We will not take an unlimited guarantee from individuals.
- ▶ We will provide the guarantor with information regarding their current level of liability, subject to your consent. We will request your consent each time a guarantor requests information.

4.5. Legal Fees

Any legal, valuation or other fees and out-of-pocket expenses incurred in connection with any facility provided / to be provided by us will be payable by you on receipt of our advice(s).

4.6. The Standards of Lending Practice

Bank of Ireland UK adheres to The Standards of Lending Practice for Business Customers which are monitored and enforced by the Lending Standards Board (LSB):

lendingstandardsboard.org.uk

The protections of the Standards of Lending Practice apply to businesses/organisations, which at the point of lending:

- ▶ have an annual turnover of no more than £25 million in its last financial year (exclusive of VAT and other turnover related taxes), and;
- ▶ which does not have a complex ownership structure (for example, businesses with overseas, multiple, or layered ownership structures).

Section 5: Opening your Account

To open an Account at a Bank of Ireland UK branch please contact your local branch or business centre to arrange a suitable time to meet and discuss your banking requirements. Additionally, you can make an enquiry through our website.

5.1. Confirming Your Identity and Address

As with all other financial institutions, we are legally required to identify our customers. In order to comply with these

obligations, before your Account is opened, we will seek proof of the identities and evidence of addresses of the individuals who own and manage the entity and those who operate Account(s) for the business. Where possible, we will use electronic verification processes via a credit reference agency and a record of such usage will be created.

If we cannot do so electronically, we may require you to provide us with proof of identity and permanent address. Even if you are a long-standing customer and wish to open additional Accounts, we are required to carry out identity checks where we have not already done so or where we may need to update documentation and customer information. We reserve the right to refuse to open an Account without giving a reason.

5.2. Banker's References

Before you open your first Account with us, we may ask for a previous banker's reference.

If we are asked to give a banker's reference about you, we will need your written permission before we can give it. The written reply we give is an opinion, which is based on our knowledge of you and your financial affairs and is not a guarantee. Charges may apply.

5.3. The Right To Cancel

If you are not happy about your choice of Account you can close it within 14 calendar days of the day you enter into the contract (excluding non-sterling fixed term deposit accounts), or the day on which you receive the contract terms and conditions and other information, whichever is later. This 14 day period is known as the 'cooling-off period' and does not apply to an Account or contract for financial services where the price has risen or fallen during the 14 day period. If you want to cancel an Account within the 14 day cooling-off period you should write to your local branch or Account Manager. When you cancel an Account in the cooling-off period we will give you all your money back with any interest it has earned. We will ignore any notice period and any extra charges that may be specified in the Account conditions.

Any amounts owing to the Bank (e.g. interest or fees) will have to be paid back to us. If you want to close your Account after the cooling-off period you may be charged. Refer to our Schedule of Charges for Business Customers Northern Ireland brochure for a full list of service charges.

5.4. Tax Residency

In accordance with the Foreign Account Tax Compliance Act ('FATCA') and the OECD Common Reporting Standard ('CRS'), Bank of Ireland (UK) plc is required to collect certain information about each Account Holder's tax residency status and the tax residency and citizenship of controlling persons. In certain circumstances, we may be required to report certain details to HM Revenue and Customs who may, in turn, share this information with tax authorities in the relevant jurisdictions. If you have any questions about FATCA/CRS you should contact your tax advisor or HM Revenue and Customs. Additional information on FATCA and CRS can be found on the HM Revenue and Customs website gov.uk/government/collections/automatic-exchange-of-information-agreements.

5.5. Provision of False Information

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies.

The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance or employment.

Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found in our Privacy Notice (bankofirelanduk.com/privacynotice).

Section 7: Notification of Changes

You must advise us in writing of any changes to your name, corporate status, registered office, trading address or telephone number. You must also notify us in writing of changes to your directors, members, partners, beneficial owners, trustees or equivalent governing body, in accordance with your mandate.

7.1. Fees and Charges

When you become a customer we will give you details of any Charges that will apply to your Account. If we increase any of these Charges we will contact you at least two months in writing (unless you are a Corporate Customer) before making the change. We will advise you of the charge for any service or product not listed in the Schedule of Charges for Business Customers Northern Ireland before we provide that service or product.

7.2. Interest

When you become a customer we will give you information on the interest rates that will apply to your Accounts and details of when we will deduct interest or pay it to you. Information on the most up-to-date interest rates is available by calling your branch or Account Manager, or by visiting our website.

If you ask us, we will give you a full explanation of how interest is calculated.

7.2.1. Interest Rate Changes

Sometimes interest rates are 'fixed' and will not change for the fixed period which we agree with you in advance; other times they are variable. In certain circumstances interest rates may be changed with immediate effect. Please see Conditions 21-25 of the Terms and Conditions for further details.

Individual notification will be dependent on the type of Account you hold, and this is detailed in the Account terms and conditions.

When we change the interest rate on your Account, we will update the information available in our branches/business centres and on our website within 3 Business Days. We may place notices in local newspapers such as The Irish News, Belfast Telegraph and Newsletter. To help you compare rates more easily, the old rate will also be published.

7.3. Pre-Notification

You will be notified, a minimum of 14 days in advance, of any Transaction fees and interest to be applied to your Account e.g. overdraft interest.

7.4. Statements

Your statement will give you a record of every transaction on your Account since the date of your last statement. A statement will be provided or, if you agree, transaction information made available free of charge at least once per month.

For Savings Accounts, where the frequency of statements differs from that set out above or no statements are issued, this is set out in the Special Terms and Conditions for that Account.

You should always check your statements. If your statement has an entry which seems to be incorrect, you should tell us as soon as possible so that we can investigate it for you.

Section 8: Payments to/from Your Account

8.1. Lodgement

We will only accept cheques for lodgement if the Payee is the same as the account name into which the cheque is being paid.

8.2. Standing Orders

A standing order is a written instruction from you to pay a fixed amount from your Account at regular intervals (e.g. weekly, monthly, quarterly, annually), and provides a useful way to make regular fixed sum payments such as rent or loan repayments. To cancel or amend a standing order you must tell us (either in written or electronic format) at any time before the end of the Business Day preceding the date on which the funds are due to be debited from your Account.

The recipient account may be anywhere in the UK. If there are insufficient funds available in your account on the date a standing order payment is due, the payment will not be made. We may automatically try to make the payment the next business day and for some standing order types, e.g. to a loan account, for up to 6 days after the original date of the payment.

8.3. Direct Debits

A direct debit is different to a standing order in that you authorise someone else ("the Originator") to debit your Account. It is a very convenient way to take care of regular payments such as telephone, gas or electricity bills. The amount can vary each time if necessary. If there is a change in the amount to be debited, the Originator must advise you of this in advance. You may cancel a direct debit at any time up to the date of payment. If you want to stop a direct debit you must write to the Originator and also to us. Direct debits are covered under the Direct Debit Guarantee Scheme which protects you if a direct debit you have not authorised is taken from your Account. If an error is made in the payment of your direct debit, by the organisation or by us, you are entitled to a full and immediate refund of the amount paid from your bank account.

8.4. Recurring Transactions

8.4.1. Recurring or Continuous Payment Authority (CPA) Payments

This is a regular card payment when you give your credit or debit card details to a company and authorise them to take regular payments from your Account. These payments are often confused with direct debits, but are not covered by the Direct Debit Guarantee Scheme.

8.4.2. Cancelling a Recurring or Continuous Payment Authority (CPA) Payment

It should be possible to cancel these payments by telling the company taking the payments. However we recommend that you give the instruction to cancel in writing.

You can also cancel them with the Bank by confirming that you have stopped permission for the payments. Be aware that you will still be responsible for paying any money that you owe. Your instruction should be received by us one Business Day prior to the date the payment is due.

8.5. Telegraphic Transfers and CHAPS Payments

Telegraphic Transfers and CHAPS payments can be processed for you on your request. There will be a charge for these services (please see our Schedule of Charges for Business Customers Northern Ireland). Terms and conditions for these payments are outlined in section 20 of this guide.

Section 9: Cheques

You must sign cheques in accordance with your most recent mandate, otherwise they may not be paid and you will have to pay a fee (an unpaid charge). Before you write a cheque, you should ensure you have sufficient cleared funds or sufficient overdraft permission on your Account to meet the cheque.

Banks and Building Societies in the UK have changed how sterling cheques drawn on UK Banks are processed. The new image clearing process uses a digital image of the cheque, speeding up the time it takes for it to clear.

We keep original cheques paid from your Account for at least 6 years where the old paper clearing process was used. Where the image clearing process is used, the original cheque when paid from your Account will be destroyed within three Business Days. Copies of cheques are available on request and a fee will be payable for this service. Please see our

Schedule of Charges for Business Customers Northern Ireland for details. If, within a reasonable period after an entry has been made, there is a dispute with us about a cheque paid from your Account, we will give you a copy of the cheque as evidence. If there is unreasonable delay after you have told us about it, we will recredit your Account with the amount of the cheque until we have resolved the matter.

Security of cheques lodged by post cannot be guaranteed.

9.1. Stopped Cheques

After you have given someone a cheque you can ask us not to pay it, provided we have not already done so. A stop should also be placed immediately on any cheque that is lost or stolen. You can place a stop in several ways:

- ▶ Via Business On Line
- ▶ By calling into your local branch
- ▶ In writing
- ▶ By telephoning your Account Manager or local branch.

If you decide to stop a cheque you must give us as much notice as possible as a cheque cannot be stopped once it has been paid. We will make all reasonable efforts to stop a cheque. A stop payment fee will apply.

9.2. Unpaid Cheques

A cheque issued by you may be returned unpaid if there are insufficient cleared funds in your Account or you have an insufficient overdraft permission when the cheque is presented for payment. A charge will be payable.

9.3. Crossed Cheques

Bank of Ireland UK cheques are crossed. Where a cheque is crossed 'Account Payee,' this means that the cheque is only valid between you and the Payee i.e. the person to whom you issued the cheque.

'Account Payee' cheques are designed to prevent fraud. Please be aware that the protection provided may not be recognised in other countries, hence cheques issued to persons outside the UK may not be treated in the same way. You should clearly write the name of the Payee and put extra information about them on the cheque e.g. account number/reference.

9.4. Post-Dated Cheques

You must not issue post-dated cheques. If you put a future date on a cheque we may still pay it before the date on the cheque and if this happens, we will not pay you for any loss that you suffer as a result.

9.5. Out-of-Date Cheques

Upon presentation, if the date on a cheque is more than 6 months old, we may not pay it. A charge will be payable.

9.6. Cheques for Special Presentations

If you are the beneficiary (i.e. Payee) of a cheque and you wish to know as soon as possible whether it will be paid, you can ask us to present the cheque via 'special presentation'. We will then send the cheque by first-class post directly to the paying bank, contacting them by phone the following Business day to confirm whether or not it will be paid. There will be a charge for this service.

9.7. When money is available – the Image Clearing Process

All sterling cheques drawn on a UK Bank or Building Society will clear on the working day after it is paid in.

If you pay a cheque into your account at your own branch, it will be shown on your bank statement on the same day (day 1). However, we have to collect the payment from the account of the person or business that gave you the cheque. The process of collecting that payment is known as 'clearing' the cheque.

9.8. Cheques paid into your Bank of Ireland UK account

The amount of the cheque will usually be available for you to withdraw or spend by the end of the next Business Day.

9.9. Amounts paid in at other banks

When you pay an amount in at another bank it takes at least one extra Business Day to get to your account (day 2 rather than day 1).

9.10. Cheques you write from your account in the UK

When you write a cheque, the full amount could be taken from your account on the same day if the person or business you have given the cheque to has their account at the same bank as you, or the next Business Day if their account is at another bank.

Before you write a cheque you should ensure you have sufficient cleared funds or sufficient overdraft permission on your Account to meet the cheque.

Glossary of Terms

Some words used in explaining the Clearing Cycle have certain meanings:

Business Day

Any day from Monday to Friday, excluding Bank Holidays (English Bank Holidays to apply in England and Wales; Scottish Bank 10 Holidays to apply in Scotland; Northern Irish Bank Holidays to apply in Northern Ireland).

Day 1

The day that the Account is updated with the proceeds of the cheque. This can also be referred to as Transaction Day or T Day.

Drawn

Payable from the bank where the person or business that issued the cheque holds their Account.

Lodgement

A payment into an Account. A lodgement can be made up of cash and/or cheques.

Payee

The person or business that a cheque is payable to.

Value or Value Date

The time from which credit interest, if applicable, is accrued, or balances are reduced for debit interest calculation. If you withdraw funds before Value clearance you will be charged debit interest.

Draw Out

When funds lodged by cheque are available for withdrawal from the Account (either as cash or to fund another payment from the Account). The ability to 'Draw Out' is subject to the overall status of the Account (e.g. the balance after the withdrawal remains within an agreed overdraft limit). Also there may be value limits on the amounts that may be withdrawn by particular methods (e.g. a daily limit on the value of ATM withdrawals).

Section 10: Using our bank services at Post Offices®

The following services are available to Business customers at Post Office® outlets within the United Kingdom:

- ▶ Lodge cash and/or cheques into your account
- ▶ Cash withdrawal in pounds sterling
- ▶ Check your balance

However, please note that the availability of these services will vary depending on different Post Office® outlet types.

10.1. Cash paid in using your card

A cash lodgement can be made at the Post Office® using your Business Visa Debit Card and/or Business Quick Lodge Card.

If you pay the cash in before 4.30pm on a working day, it will reach your account on the same working day. If you pay the cash in after 4.30pm, or on a non-working day, it will reach your account on the next working day.

10.2 Paying in cheques

You can make a cheque lodgement using a pre-printed lodgement slip and a Bank of Ireland UK special purpose paying in envelope ("Envelope") which are available at both Bank of Ireland UK branches and Post Office outlets.

The following requirements must be adhered to:

- ▶ All cheques must be in pounds sterling and drawn on a UK bank
- ▶ Foreign currency cheques cannot be included
- ▶ All cheques must be payable to the name(s) shown on the pre-printed lodgement slip

Place your cheques, along with your completed pre-printed lodgement slip, into the Envelope. You cannot put cash in the Envelope.

The clearing process for cheques lodged at Post Office outlets begins the day we receive the cheque(s) which is normally the next Business Day.

If the special purpose paying-in envelope or the contents of any Envelope is delayed by the Post Office, the Bank or any of their respective servants, agents or employees it may result in the cheque lodgement being received after this time meaning it will take longer for the funds to reach your account. For more information on the cheque clearing process please refer to Section 9 of this Guide.

The cash you withdraw using your Business Visa Debit Card will be debited from your account immediately.

You can withdraw any amount up to the daily limit on your card subject to available funds.

¹ Scheme responsible for the protection of your eligible deposit

Scheme responsible for the protection of your eligible deposit Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Bank of Ireland (UK) plc also trades under Bank of Ireland UK, Post Office Money and AA Savings. This means that all eligible deposits with one or more of these trading names are in total covered up to £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

(a) Certain transactions relating to the depositor’s current or prospective only or main residence or dwelling

(b) A death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity

(c) The payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction

For further information about exclusion, refer to the FSCS website at [fscs.org.uk](https://www.fscs.org.uk)

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating expenses (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under fscs.org.uk.

or exchange rate information already provided to you, may take effect immediately;

- 22.2 All other proposed changes will be notified to you at least two months (unless you are a Corporate Customer) before they take effect.
23. This Condition 23 applies if your Account is not a Payment Account:
- 23.1 Any changes which are to your advantage will be notified to you either before the change comes into effect or at the earliest opportunity afterwards.
- 23.2 If we are changing the interest rate in a way that is to your disadvantage, we will notify you a minimum of 14 days before the change comes into effect. This will only apply where your Account has a balance of £100 or more.

27. Negative interest will be calculated by us each day based on the cleared balance on the account using the applicable negative interest rate. Negative interest will be charged to and deducted from the account at the end of every month or at such other intervals as we may agree with you. Any amount of negative interest that becomes due by you to us is a "Negative Interest Amount".
28. For so long as negative interest applies to the credit balance on the account, you agree to ensure there are enough available funds in the account (by way of credit balance and/or approved overdraft) to pay each Negative Interest Amount in full and on time. We may refuse to allow you to make a withdrawal from an account if we reasonably anticipate that such withdrawal will cause a breach of this clause.
29. If the available funds on the account are insufficient to pay, in full, a Negative Interest Amount due to us, you agree to pay any shortfall (the "Shortfall Amount") within three Banking Days of the due date for payment of the corresponding Negative Interest Amount. Interest will accrue on any Shortfall Amount from the due date of payment until payment in full at the rate of 4% per annum.
30. For the avoidance of doubt, nothing in these terms shall be interpreted to oblige us to pay you interest on any debit balance or overdraft on a Business Current Account.

If we receive a notice of a fine, a court order or a court judgement against you or any other Account Holder, we may refuse to allow Withdrawals or transfers from your Account until the fine is paid or the legal process comes to an end. Terms and Conditions for Specific Accounts

65. If you have one or more of the Accounts listed below, this brochure "A Guide to Banking for Business Customers" which includes our general Terms and Conditions applies, except as it is added to or amended with the following specific terms. In the event of a conflict these Terms and Conditions for specific Accounts shall prevail.

Current Accounts

66. If your Current Account qualifies for credit interest, interest is calculated daily on cleared credit balances and will be applied to your Current Account quarterly.
67. Interest on an overdrawn current account will be calculated on a daily basis on the cleared debit balance at the interest rate applicable to the account and will be charged to your current account quarterly.
68. You must operate your Current Account in credit at all times, unless we have agreed an overdraft in writing with you. An overdraft is not implied.
69. If we agree an overdraft with you, specific terms will be agreed with you in writing. You must operate your overdraft in accordance with those terms, in particular, within the agreed overdraft permission.
70. The debit interest rate on your account will reflect changes in the Bank of Ireland UK Base Rate which typically follows the Bank of England Base Rate but is not guaranteed to do so and will normally change within one Business Day of the relevant Bank of England announcement. We will send you notification of any change in the debit interest rate and pre notification of the interest charges 14 days before they are charged to your Current Account.
71. We charge a set up fee and an annual overdraft fee for agreed overdrafts and we will tell you what the fee is before you accept the overdraft.
72. Overdrafts are repayable on written demand.
73. If the payment of a Withdrawal by us creates an unauthorised overdraft on your Current Account or causes your agreed overdraft permission to be exceeded this is not to be taken as an agreement to any further unauthorised borrowing in the future.
74. If you do not operate your Current Account within an agreed overdraft limit at any time during a Standard Charging Quarter, you will be charged interest on the amount by which you exceed the agreed overdraft limit:

- ▶ At the overdraft rate agreed between you and the Bank; and
 - ▶ At the Bank's Surcharge Interest Rate
75. If you overdraw without any prior overdraft agreement, you will be charged interest on the entire overdrawn balance:
- ▶ At the Bank's Unauthorised Overdraft Rate prevailing from time to time; and
 - ▶ At the Bank's Surcharge Interest Rate
76. Interest and surcharge will be calculated on a daily basis. Where there is a prior overdraft agreement which has been exceeded, that part of the overdrawn balance which falls within the agreed overdraft limit will continue to be charged at the agreed overdraft rate.
77. The Bank expects accounts where an overdraft is made available to be in credit periodically but for a minimum of 30 days in every 12 month period.

Loan Accounts

78. Where loan repayments are payable by regular amounts from an Account with us we will debit the Account on the due date with the amount of the repayment and where the full amount of the repayment is not available we will continue to try to debit the Account taking such funds as are available until the repayment is paid in full.
79. If the date chosen to make repayments does not exist in any particular month we will collect the repayment on the last day of that month unless that day is not a Business Day when the repayments will be collected on the next Business Day.
80. Generally, any payment you make will be applied at our reasonable discretion to the loan in the following order:
- ▶ Any Charges you have incurred
 - ▶ Any arrears of interest
 - ▶ Other interest
 - ▶ Any arrears of capital
 - ▶ Capital
81. Loan repayments will be collected from an existing or new current account you hold with us or alternatively by direct debit from an account you hold with another financial institution.
82. Repayments collected may fluctuate in line with interest rate changes. We may vary the amount of the repayment so that the loan is repaid within the agreed term. We will advise you should this occur.
83. Any other loan payments must be transferred to the Business Loan Account from a Current Account and cannot be paid into the Business Loan Account directly.
84. Where a fixed rate loan is paid back in full, in advance of the agreed payment date subject to certain conditions a breakage fee applies. Contact your Account Manager or branch for more details on what charges apply.

Savings Accounts

85. Savings Accounts should not be used for normal business trading transactions as our Business Current Account is more suitable. In all instances of deposits you will be asked to provide evidence of the source of funds deposited.
86. Unless specified, we will not allow either Direct Debits or Standing Orders on Business Savings Accounts.

Fixed Term Deposit Account

Opening the Account

102. The minimum amount required to open and maintain an Account is £10,000 or the equivalent of this sum in any other currency. There is no maximum to the amount you can pay into the Account.

103. Further deposits may not be made to the Account during the term.

104. Funds cannot be lodged directly to the Account, but must be lodged from either a new or an existing Bank of Ireland UK Current or Deposit Account. This is referred to as a Linked Service Account (“LSA”).

105. The amount, term and the rate of interest are agreed on the date the Account is opened, and on subsequent renewals (if any).

106. If you are not happy about your choice of Account you can close it within 14 calendar days of the day you enter into the contract (excluding non-sterling fixed term deposit

accounts), or the day on which you receive the contract terms and conditions and other information, whichever is later. We will help you switch to another of our accounts or we will give all your money back with any interest it has earned. To do this no notice will be required and no charge payable.

Interest

107. The interest rate is fixed for the duration of the agreed term.

108. Interest is paid on expiry of the term (at maturity).

- (a) If you withdraw the entire balance of the Account at maturity, interest will be paid into the Linked Service Account

109. Details of current interest rates are available from your Account Manager or branch.

110. Interest rates are calculated daily in line with London Money Market rates.

Taxation of Interest

111. Interest will be paid gross.

Account Features

112. It should be your intention to leave your capital in the Account until the maturity date. Subject to Conditions 113 and 114, no early withdrawals can normally be made from the Account. If, due to exceptional circumstances, we allow you to withdraw part or all of the deposit after the 14 day cooling off period (there is no cooling off period for nonsterling fixed term deposit accounts) and before the end of the fixed term you will have to pay a fee that reflects our costs or the difference between the original deposit rate and the higher market rate prevailing. We refer to this as a "Term Deposit Breakage Fee". This will be calculated as follows:

$$P \times (R-D) \times T$$

365

Where: P = Amount Withdrawn

R = Replacement Market Rate

D = Rate on the Account

T = Remainder of fixed term in days

Example: £10,000 x (5.25-3.5) x 62 = £29.73

365 Day Basis

"Day Basis" means the convention for the number of days used as a Denominator appropriate to the currency. Before making a request for us to allow you to make an early withdrawal you are advised to ask for details of the Term Deposit Breakage Fee. A minimum fee of £25 or the equivalent of this sum in any other currency applies.

Please see our Schedule of Charges for Business Customers available from your Account Manager or branch

or by visiting our website, bankofirelanduk.com/business for details.

113. If an early withdrawal requested by you results in the reduction of the balance in the Account to below £10,000 or the equivalent of this sum in any other currency, the entire balance in the Account, with all accrued interest, will be transferred automatically to the Linked Service Account and will earn interest at the rate applicable to the Linked Service Account. A Term Deposit Breakage Fee will apply to the entire balance.

114. We will issue statements detailing the amount deposited, the rate of interest and the fixed term when you open your Account and when your Account matures or when you close it.

115. If you require a certificate of interest paid, please advise your branch or Account Manager when the Account is opened and this will be generated automatically for you.

Your account number will include an International Bank Account Number (IBAN) which will be quoted on all Account documents.

Maturity of the Account

116. Unless you tell us otherwise by 11.00am on the date of maturity for GBP, Euro or US Dollar Accounts, your Account will be renewed automatically. For all other currencies, you must tell us by 11.00a.m. two Business Days before the Maturity Date if you do not want your Fixed Term Deposit to be renewed automatically. The balance on the Account including accrued interest up to the maturity date (unless you have otherwise specified) will be redeposited on the same basis as before in the same currency at our then prevailing fixed term deposit rate and for the same period of time as the previous fixed term.

117. Any withdrawal of the balance and interest from the Account at maturity must be made through the Linked Service Account.

118. If the date of maturity falls on a day which is not a Business Day, the balance will be redeposited on the next following Business Day unless such Business Day is within the following calendar month, in which case the balance will be redeposited on the Business Day immediately preceding the date of maturity.

Death and Change of Parties to Account

119. In the event of the death of a sole Account Holder the personal representative may withdraw the entire balance and any interest accrued up to the date of withdrawal through the Linked Service Account. A Term Deposit Breakage Fee will not apply.

120. If an Account is held on a joint basis by two or more Account Holders, if for any reason, including death, the first named Account Holder ceases to be party to the Account, the Account may be closed and a new Account may be opened in the name of the remaining Account Holders subject to agreement of new Terms and Conditions. The entire balance in the Account and any interest accrued up to the date of the transfer may be transferred to the new Account. A Term Deposit Breakage Fee may apply but not in the event of the death of the first named Account Holder.

124. It is your responsibility to correctly and fully complete the application form and provide us with any supporting documentation and/or information we may require. Furthermore, you acknowledge that we are under no obligation to check whether the unique identifiers (e.g. beneficiary IBAN, sort code, SWIFT code, BIC, etc.) or other information provided by you in the application form are correct and, we accept no liability whatsoever for any losses incurred by you or any third party as a result of your failure to correctly complete the application form.

125. A SEPA payment for one of the above countries which does not have this information will not be sent. For all other SEPA payments, your address will not be sent with the payment. The Bank accepts no liability for payments which are not sent.

126. You hereby authorise the Bank to make any correcting entries on your Account without your prior approval in the event that the Bank or any third party over-credits or under-debits your Account by mistake in respect of your instructions in the application form.

Refer to Section 18 of this document for information on processing times. If you instruct us to make a payment from your Account to an account that is denominated in a different currency we may carry out a currency conversion at the prevailing market rate.

133. Once we have received your instruction to make a payment, you will not be able to cancel it once the payment has left your Account. 135. We will provide you with details of the payment transaction (once executed) on your Account statement in the manner and frequency as specified in your Account terms and conditions. You should always check your statement to make sure the transaction has been executed properly. If your statement has an entry which

seems to be wrong, you should tell us about it without undue delay and, in any event, no later than 13 months (or such shorter timeframe as may be indicated in your Account terms and conditions) after the transaction date so we may investigate it for you. In the event of any incorrectly executed transaction resulting from the acts or omissions of the Bank, we will refund the amount of such incorrectly executed transaction. Where any transaction is effected by the Bank in accordance with a unique identifier (e.g. sort code, Account number, BIC or IBAN) supplied by you and the unique identifier supplied is incorrect, we shall have no liability to you in respect of such transaction. We will however make all reasonable efforts to recover the funds but we may charge you in respect of any reasonable costs incurred by us in recovering the funds on your behalf.

136. If there is a dispute in relation to any payment transaction processed by us under, or in connection with, your instructions, the relevant terms and conditions of your Account shall apply. However, we reserve the right to debit from your Account the amount of any refunds (if any) paid to you where, upon further investigation, it is subsequently established that you are not entitled to a refund.
137. In the case of any dispute between you and the Bank regarding a transaction, the books and records kept by, or on behalf of, the Bank (whether kept on paper, by electronic recording or otherwise) shall, in the absence of manifest error, constitute sufficient evidence of any facts or events relied on by the Bank in connection with any matter or dealing relating to the transaction.

Charges

138. Charging options are to be indicated by you on your payment request. If a charging option is not selected, the 'shared' option will be applied:

Shared – For payment transactions within the EEA, you must pay our Charges and the beneficiary must pay the charge(s) levied by its bank.

Beneficiary – Beneficiary pays our Charges and the charges levied by its bank. This option can only be selected where the beneficiary's bank is outside of the EEA.

You pay our Charges and the charges of the beneficiary's bank. This option can only be selected where the beneficiary's bank is outside of the EEA.

139. Details of our applicable charges for each type of payment transaction, please refer to the current Schedule of Charges for Business Customers brochure which is available from any of the Bank's branches or business centres, or via bankofirelanduk.com.
140. You should be aware that some foreign banks have no upper limit on payment charges and it typically takes up to 4 weeks for these charges to be claimed and passed on to you where the charging option "Sender" is selected. However, in certain cases this can take considerably longer (i.e. up to 3 months). In addition, some foreign banks may deduct a charge from the beneficiary even when you have chosen to pay all charges.
141. When a payment is returned by a beneficiary bank, you should note that the amount returned may differ from the original transaction amount because of charges deducted by that bank and/or differences in the prevailing exchange rate when returning the payment. Beneficiary bank charges are outside our control. Any charges taken by the beneficiary bank at the time the initial payment was

processed will not be refunded to you in the event that the payment is returned. If you wish to re-execute the payment transaction, our standard charge(s) will be applied.

Disclosure of Information

142. When we make an international payment on your behalf the personal data about you contained in the application form may be disclosed to the beneficiary, the beneficiary bank and any other parties involved directly or indirectly in the transmission of the payment for the purposes of processing the transaction, even where such parties are based in countries outside the EU/EEA which may not have similar levels of data protection.

Corporate Customers

- 143.
- (a) This clause applies to Corporate Customers only. By acceptance of these Terms and Conditions the Corporate Customer agrees that parts of the Payments Services Regulations shall not apply to the Corporate Customer. We explain what this means for the Corporate Customer in this clause. In the event of a conflict between this clause 138 and any other clause in these Terms and Conditions, the 365 Digital & Phone Banking Terms and Conditions or the Business On Line Conditions of Use, this clause 143 shall prevail.

Use of Security Credentials and presumption that all payments are authorised

- (b) The Corporate Customer will be responsible for ensuring that the Security Credentials are used in accordance with the relevant instructions issued by the Bank from time to time. The Corporate Customer irrevocably authorises us to act upon all instructions received through the Services which have been or appear to the Bank to have been transmitted using the Security Credentials without taking any further steps to authenticate such instructions. This means that any payments made by the Corporate Customer using the Security Credentials or initiated by the PISP on behalf of the Corporate Customer will be treated by us as authorised payments and as being correctly executed (unless the Corporate Customer can provide supporting evidence which is acceptable to us to show that the payment was not authorised).
- (c) Where the Corporate Customer asserts that a transaction is unauthorised, the correct use of the Security Credentials will be sufficient evidence that the Corporate Customer acted either fraudulently, or, failed intentionally, or, failed with gross negligence to comply with the relevant instructions. Where we believe that a Corporate Customer acted fraudulently or failed with gross negligence to comply with these Terms and Conditions we will not be required to provide supporting evidence.
- (d) We will not be required to prove that the payment transaction was authenticated, accurately recorded, entered in the accounts and not affected by a technical breakdown or some other deficiency of the service provided by us. The Bank will be entitled to rely on its books and records kept by or on behalf of the Bank (whether on paper, microfilm, by electronic recording or otherwise) which shall, in the absence of manifest error, constitute sufficient evidence of any facts or events relied on by the Bank to prove that the transaction was authorised and correctly executed.

No liability for Unauthorised Transactions if Strong Customer Authentication is not required, or failure

to notify that Security Credentials were lost, stolen or misappropriated

- (e) The Corporate Customer will have to pay/bear all financial losses relating to any unauthorised payment transactions resulting from the use of the Security Credentials :-
1. where we did not require, or failed to accept, Strong Customer Authentication for a payment transaction or the creation of a recurring payment transaction made by either the Corporate Customer or the PISP;
 2. where we did not require, or failed to accept, Strong Customer Authentication for the request and collection of Direct Debit payment transactions where we request and collect Direct Debits on behalf of the Corporate Customer (who is the Direct Debit payee); or
 3. where the Corporate Customer (either fraudulently, intentionally or with gross negligence) failed to notify us that the Security Credentials have been lost, stolen or misappropriated (unless the loss, theft or misappropriation of the Security Credentials was not detectable to the Corporate Customer or the loss was caused by an act or omission by us or anyone acting on our behalf). The Corporate Customer acknowledges that it should notify us without undue delay on becoming aware of the loss, theft, misappropriation or unauthorised use of the Security Credentials by contacting us via the Freephone number listed on bankofirelanduk.com and after such notification, the Corporate Customer will not have to pay/bear any financial losses after notification to us (unless the Corporate Customer has acted fraudulently).

Liability for non-execution, defective or late execution of payment transactions

- (f) The Corporate Customer agrees that when we process any payment, made by the Corporate Customer, initiated by a PISP, or where we request and collect Direct Debits on behalf of the Corporate Customer (who is the Direct Debit payee) we will rely on the:
- ▶ Bank Identifier Code (or 'BIC');
 - ▶ International Bank Account Number (or 'IBAN') that includes the account number and codes to identify the country, bank and branch of an account; or
 - ▶ The Sort Code (the 6-digit code that identifies a particular bank and bank branch); and
 - ▶ Account Number (the number that identifies an account – usually 8 digits long), that is given with the payment.
- ▶ We are not obliged to verify or confirm any of these details. If these details are not correctly stated by you or by the PISP or any third party, or if any of these details are not provided to us, the payment may not be processed, may be processed late or may be processed incorrectly. We are not liable to you or anyone else if that results in any loss or expense and we will not be required to retransmit any payments that should have been made.
- (g) We are not responsible for any losses caused where we can show that a payment was made by us and received by the payee's bank within the time for that type of payment shown in the Transaction Information Box or if the payment is not possible due to a regulatory or other legal reason.
- (h) Where a payment is made by us, we will not be required to trace the transaction for the Corporate Customer. We

may choose to assist the Corporate Customer and trace the transaction and contact the payee's payment service provider on behalf of the Corporate Customer. If we choose to make enquiries to trace the transaction we may seek to recover such fees and charges incurred from the Corporate Customer and by accepting these Terms and Conditions the Corporate Customer agrees to pay all fees and charges once we have determined the full amount payable and advised the Corporate Customer of the amount payable.

Refund for Unauthorised Transactions

- (i) As outlined in paragraph (b) above, we will treat all payments made using the Security Credentials as authorised, however if the Corporate Customer provides supporting evidence to us that the transaction was not authorised, we will refund the account of the Corporate Customer for the amount of the transaction and restore the account to the state it would have been in but for the unauthorised transaction immediately and no later than the end of the business day after we have been notified by the Corporate Customer of the unauthorised payment transaction (which may be made by the Corporate Customer or initiated by a PISP). Such notification shall be provided to us on a date no later than 13 calendar months after the date of the authorised transaction.
- (j) We will not be obliged to refund the Corporate Customer if we have reasonable grounds to suspect that fraud has taken place and we have notified the Police accordingly.
- (k) If after we process the refund, we discover after further investigation of the matter that the payment was authorised by you, we are entitled to deduct the amount refunded from your Account and will advise you that we have done so.
- (l) Our obligation to refund the Corporate Customer in respect of an unauthorised transaction is subject to our right to set off this refund against any claim we may have against the Corporate Customer – for example any claim we may have against the Corporate Customer due to the Corporate Customer's failure to notify us that the Security Credentials have been lost, stolen or misappropriated or that the Corporate Customer has acted in a fraudulent or negligent manner.
- (m) We are not obliged to refund the Corporate Customer for payment transactions initiated by or through a payee.

Charges payable

- (n) We may charge Corporate Customers for the costs we incur in complying with any of our information obligations or any corrective or preventative measures we may need to take under the payment services legislation. Please see the Schedule Charges for Business Customers for any applicable fees or charges.

For the avoidance of doubt, Payment Service Regulations 66(1), 75, 77, 79, 80, 83, 91, 92 and 93 shall not apply to the Corporate Customer.

Cheque Lodgements using the Post Office Cheque Deposit Envelope Service

For the purposes of this service the following additional definitions apply:

"Envelope" means the Bank of Ireland UK special purpose paying in envelope;

“Service” means the cheque lodgement service available through Post Office® outlets.

1. The Bank is not deemed to have received any cheques in the Envelope until such time as the Envelope has been opened by the Bank, the lodgement has been balanced with the preprinted lodgement slip and the lodgement has been credited to your Account. You agree that if there is any discrepancy between the amount stated in the preprinted lodgement slip and the actual face value of the cheques, the Bank is authorised to amend the final total to be credited to your Account.
2. You agree that the Bank may adjust the amount credited to your Account if any cheque included in the lodgement is subsequently returned to the Bank unpaid or has been inappropriately included in the lodgement whether because it is not a sterling cheque drawn on a UK bank or for any other reason. A certificate of a Bank official stating the value of the lodgement shall be deemed to be correct in the absence of manifest error.
3. The Bank shall have no liability for any loss suffered by you as a result of the Envelope or the contents of any Envelope being delayed, lost, misplaced, mutilated, defaced or damaged by Post Office®, the Bank or any of their respective servants, agents or employees.
4. The Bank shall have no liability to you by reason of your use of this Service and you agree to indemnify the Bank in respect of any claim arising from your use of the Service.
