Clear Current Account

Our Clear Current Account is a flexible account providing you with instant access to your money. It gives you all the facilities you need to manage your day-to-day finances and it is cost-effective.

There are no transaction or monthly account fees on your personal current account. You will only pay charges if you try to make a payment from your account and there is not enough money in the account or enough of an arranged overdraft limit available. Other charges may apply for extra services you may request. These are charged at the time we provide the service. Please see our Schedule of Service Charges for personal customers brochure for further details.

- ▶ With a Bank of Ireland UK Clear Current Account, the following services are FREE of charge, no matter how many times you use them:
- ▶ Lodging and withdrawing cash in branches
- ▶ Withdrawing cash from cash machines in the UK and all Bank of Ireland cash machines in Ireland
- ▶ Paying by cheque
- ▶ Setting up standing orders or direct debits for regular payments
- ▶ Making payments using your Debit card in the UK.

With your Clear account you can also have:

The Clear Current Account is designed to give you the best of all worlds. You don't have to choose between online, phone and face-to-face banking; you can use all three. You can also access your money through Post Office® branches throughout Northern Ireland and the rest of the UK. This means you get the service you need whenever and wherever you need it.

¹Lending criteria, terms and conditions apply. The overdraft facility may not be exceeded without our prior permission. If you exceed your arranged overdraft limit, we will charge unarranged interest at the rate stated in our "Rates and Products" brochure. Unarranged overdraft fees and other fees may also apply.

We also offer the Basic Cash Account, as an option for customers who do not want an overdraft, chequebook or debit card (see the separate brochure for details).

Overdrafts

An arranged overdraft is an overdraft that we've approved on your account that is intended for short term borrowing. You can borrow money up to the limit we have agreed at an arranged overdraft interest rate.

An arranged overdraft can work as a financial cushion, protect your credit standing and improve cash flow. It can also help you avoid paying unarranged overdraft charges.

You only pay interest when you use an overdraft. There is no charge for setting up, increasing, decreasing or even cancelling an arranged overdraft facility on your current account. The Clear account arranged overdraft interest rate is our base rate + 14.0%. On 6 April 2020 the rate was 14.10% / 15.05% APR2

If we allow you to borrow money when there is no money left in your account or we allow you to go past your arranged overdraft limit this will create an unarranged overdraft on your account. This will give rise to higher interest and charges.

To find out more about overdrafts please read our Overdraft brochure.

Switching is easy

With the free Current Account Switch Service you can switch your current account to us in a simple, reliable and stress-free way which is backed by the Current Account Switch Guarantee.

The Current Account Switch Guarantee ensures your current account will switch on a day of your choice, your payments will be automatically transferred and redirected to your new account, and in the unlikely event anything goes wrong with your switch, we will refund any interest and charges (incurred on your old or new current accounts) as a result of this failure as soon as it is brought to our attention.

Full details about the Current Account Switch Service are available in our Current Account Switching Services booklet, which you can get from any of our branches. You will find the Current Account Switch Guarantee on page 8 and answers to frequently asked questions on page 6 of the booklet.

Plus you can apply for an interest free and fee-free arranged overdraft for a period of three months from the date you open your account, subject to our current lending conditions. If after the first three months you keep the overdraft normal banking charges will apply to it and interest will be charged at the then current rate.

If you would like to transfer your account to Bank of Ireland UK but leave your old bank account open, or if you cannot use the Current Account Switch Service, the Bank of Ireland UK Account Switch Service can be used to move your personal current account to us.

Switching your account to us couldn't be easier: we will look after everything for you and keep in touch every step of the way.
