

Online Banking

**A choice of
channels for
your business**

Bank of Ireland  UK

Open whenever you need us

Our online banking channels give you 24/7, on the go access to your money. All you need is an internet connection. Registering is straightforward, and once set up you'll have all of the essentials for your business at your fingertips.

Whether you want to check your balances, make a payment, or something more complex, we have two channels designed to make life easy – giving you the flexibility to choose which is right for your business.

We offer a choice of two online banking channels for business customers

At Bank of Ireland UK we recognise that businesses are unique and have different electronic payment needs. That's why we offer you the choice of two online banking channels – whether you need access on the go, or more advanced features and control over who does what. We let you make the decision which channel best suits your business.

365 Digital & Phone Banking (365)

Simple and straightforward; Bank anytime, anywhere

365 is a flexible, easy-to-use digital and phone banking service for smaller businesses requiring one-person access to their accounts online.

There are no subscription charges, and it gives you the choice to bank in the way that suits your business; either via **Phone Banking** – our dedicated Telephone Banking Service, or **Digital Banking** – via a web browser, or dedicated apps for Smartphone and Tablet.

It is the ideal solution for customers who:

- 👤 Require single user access to online banking
- £ Need to make low value payments online*
- 📱 Want flexible online banking – with dedicated mobile and tablet apps

Benefits of 365:

- ▶ Anytime account access via a range of devices including mobile, tablet and computer
- ▶ Allows you to make single domestic and international payments
- ▶ Set up, view, amend and delete standing orders
- ▶ Save on paperwork with a 12 month view of past transactions (13 months for Credit Card)
- ▶ View, print and download eStatements at your convenience
- ▶ Save time and money by making online transfers instead of paying by cash or cheque

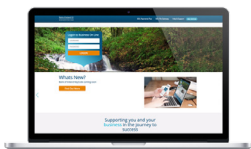

*365 has an overall payment limit of £20,000 per Business Day. Payments up to the full £20,000 Business Day limit can be made if payees have been authenticated via a security code sent in the post. For extra security, the sum of any payments to payees authenticated by SMS are limited to £10,000 per Business Day.

Business On Line

Our dedicated online banking solution

Business On Line is the perfect choice for customers with advanced electronic payment needs, requiring more functionality and greater control.

It is the ideal solution for customers who:

-  Wish to set up more than one person to use online banking and control exactly what each user is authorised to do
-  Make higher value payments with no upper limit
-  Require a second person to authorise payments
-  Make domestic and international payments for receipt the same day
-  Require access to currency accounts
-  Pay numerous payees from one debit transaction e.g. bulk salary payments

Benefits of Business On Line:

- ▶ Available 24/7 when and where it suits you
- ▶ Save time and money on your everyday transactions
- ▶ Allows you to make immediate or future dated payments quickly and easily
- ▶ Cuts down on paperwork, as 90 days of transactions are stored electronically and can be accessed and/or printed at anytime
- ▶ Total access control – you can customise Business On Line to match your company's needs
- ▶ Avoid the costs and clearance times associated with cheque payments
- ▶ Save time by paying salaries or suppliers at once, with only one transaction on the account

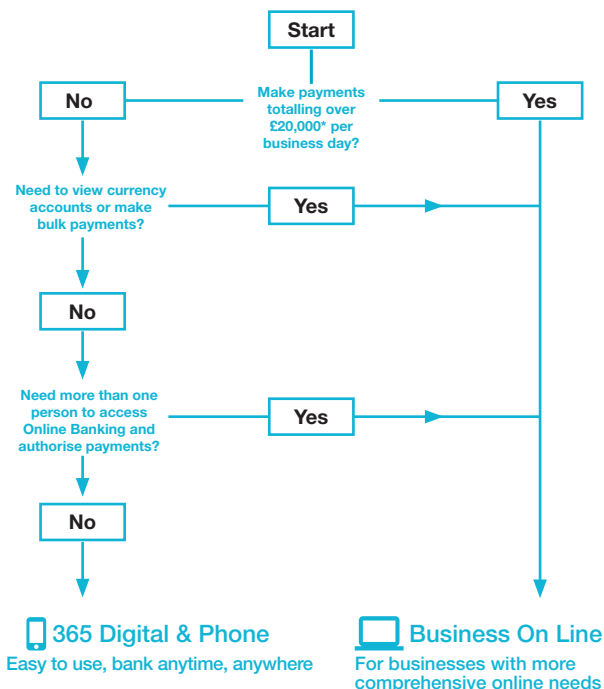

Register for Business On Line and get 6 months free

Applications are available on our website or from your branch or account manager.

If you're signing up for the first time, we'll waive your subscription charge for 6 months from the date you first log-on. After this, the standard £5 monthly charge will apply.
