- 5.1 Our mobile banking service allows you to use a range of Services. The Services available using the Bank of Ireland App or Mobile Website may vary from time to time at our discretion and depending on the type of handset you are using or the type of Account you have. To the extent that the Services, or any of them, are available, they will be provided in accordance with the various terms set out in these terms and conditions.

- 5.3 If you download the Bank of Ireland App, you do so at your own risk, and we make no representation, and give no warranty, as to the functionality or suitability of the Bank of Ireland App which is provided "as is".
- 5.4 If you download the Bank of Ireland App, we grant you a non-exclusive licence to use the Bank of Ireland App solely for the purposes of using the mobile banking services. You agree that all intellectual property rights in and to the Bank of Ireland App are and remain the property of Bank of Ireland and you agree that you shall not copy, modify or adapt the Bank of Ireland App in any way. The licence granted above will expire upon termination of this Agreement by either of us. You are deemed to have accepted this licence and the terms of the licence by downloading the Bank of Ireland App to your Mobile Device.

6.0 Pay to Mobile

The following Clause 6 only applies to Pay to Mobile.

6.1 Pay to Mobile allows you to make payments to or receive payments from other Bank of Ireland UK customers.

6.2 To **send** and **receive** Pay to Mobile payments, you must have completed the following:

- a) registration for 365 online services;
- b) registration of your mobile phone number using a Security Code;
- c) download of the Bank of Ireland Mobile App;
- d) registration of your mobile phone number and the Account you would like to receive Pay to Mobile payments into on 365 online services (not the Bank of Ireland Mobile App). We can change the way you register for these services at any time.

6.3

To **receive** Pay to Mobile payments **only**, you must have completed the following:

- a) registration for 365 online services;
- b) registration of your mobile phone number using a Security Code;
- c) registration of your mobile phone number and the Account you would like to receive Pay to Mobile payments into on 365 online services (not the Bank of Ireland Mobile App). We can change the way you register for these services at any time.

- 6.4 Once you are registered to send Pay to Mobile payments in accordance with Clause 6.2, you can make payments via the Bank of Ireland Mobile App by inputting the payee's mobile phone number. Before doing this, you must ensure that (i) the payee is registered to receive Pay to Mobile payments in accordance with Clause 6.3; and (ii) the payee's mobile phone number you use is correct as we will not be responsible if you send money to the wrong payee. Should the payee not be registered for Pay to Mobile, you will receive a notification informing you that the payee has not registered to receive Pay to Mobile payments and no payment will be made. We will not be liable to you or anyone else for any losses you suffer or losses you incur if you attempt to send a payment to a payee who is not registered to receive Pay to Mobile payments. Please note that you cannot make Future Dated Payments using Pay to Mobile.

- 6.6 Once you send a Pay to Mobile payment to a registered Pay to Mobile payee, you will receive an SMS message confirming that your Pay to Mobile payment has been sent from your registered Account. The registered Pay to Mobile payee will also receive a SMS message confirming that your Pay to Mobile instruction has been made to their registered Account. By selecting a contact when using Pay to Mobile to make an instruction, you consent to the Bank of Ireland Mobile App accessing data in your address book.

- 6.7 You agree that when we process any instruction you send to a payee by Pay to Mobile, we will rely on the payee's mobile phone number only that is given with the instruction. When making a Pay to Mobile payment, you must ensure the intended payee and their mobile number is correct; otherwise the payment will not be processed or it may be made to the wrong payee. We will not be liable to you or anyone else for any losses you suffer or costs you incur

6.8 if the payment is sent to the wrong payee due to any error in your Pay to Mobile instruction or any error in the payee's Pay to Mobile registration details. We will make every reasonable effort to get back any money involved in the transaction, but we may charge you for any reasonable costs that we have to pay. This Clause 6.6 overrides any conflicting term in these terms and conditions or your Accounts terms and conditions, or any other terms and conditions agreed between us.

We do not charge you for sending or receiving payments through Pay to Mobile (network charges may apply for using the Bank of Ireland Mobile App). Please see Clause 11 for further details on our charges generally.

We accept payment instructions at any time. If you give us a payment instruction to pay money from your Account, we treat the payment instruction as given on the banking day ("D") on which we actually get it, so long as it is received by us before 3:30pm (the cut off time for domestic payments). If we receive it after 3:30pm it will be treated as received by us on the next banking day. If you give us a Pay to Mobile instruction to pay money to an Account held by us, we pay it on the banking day we get your payment instruction. If the payment is in euro and PSR-regulated we will ensure the payee's bank is paid within one banking day of D. If it is a cross-border payment in Sterling, or another EEA Currency

(non-euro), we will ensure the payee's bank is paid within three banking days of D. We can only act on your instructions when we get them. You acknowledge and agree there may be a time lag between the time you instruct us for a Pay to Mobile payment and when we get that instruction, and we can take no responsibility for that.

- 6.9 You authorise us to disclose your mobile phone number when you use Pay to Mobile or when we process your request or display this information in messages sent to any payer or payee. We will use any information you provide to us in connection with sending or receiving Pay to Mobile payments only for the purposes of administering those payments and to contact you via your registered mobile phone number in relation to your Pay to Mobile payments.

- 6.10
- 6.11 Because Pay to Mobile can be used to make payments via the Bank of Ireland Mobile App, you must keep your Mobile Device secure and not logged into the Bank of Ireland Mobile App.

- We will not be liable to you or anyone else for any losses you suffer or costs you incur because:
- 6.12 (a) you are unable to access or use Pay to Mobile for any reason or there is a delay in its use;
- (b) any device, hardware or software you use in connection with Pay to Mobile is damaged or corrupted or fails to work;
- (c) Pay to Mobile does not work as you expect, does not meet your requirements or contains errors or defects or we fail to correct these;
- 6.13 (d) you did not receive any SMS notifications in a timely manner; or
- (e) there is a reduced level or failure to provide any service caused by any

6.14 third party service providers including software providers and mobile operators.

6.15 Minimum and maximum transaction and daily limits apply to the amount you can send or receive using Pay to Mobile. We can change these limits at any time. Details of the current limits are available when you use the Pay to Mobile service.

We keep a record when you register to make Pay to Mobile payments and when you instruct us about this type of payment. You agree that our records are good evidence of your registration or instruction (unless it is clear we made a mistake). You also agree we can assume any registration or instruction comes from you.

You cannot use the Pay to Mobile service to transfer money from any loan or credit card account you have with us or one of our subsidiaries.

You permit us to act on any Pay to Mobile instruction you give us or which appears to have been given by you. You

cannot withdraw this permission.

- 6.16 Once a Pay to Mobile instruction is received with the correct security devices, you agree that we can act on it. You understand we do not make any more security checks.
- 6.17 You can ask us to cancel or amend a Pay to Mobile instruction, but we do not have to do so.
- 6.18 If we receive a Pay to Mobile instruction that does not have the information that we need to identify the payee's Account, for example the mobile phone number, we may refuse to process it. We will tell you if we refuse to process an instruction for this reason. We will not be liable to you or anyone else if that results in any loss or expense.
- 6.19
- 6.20 We can refuse to process a Pay to Mobile instruction if you do not have enough money in your Account (or enough unused agreed overdraft limit on your account) to make the payment. We will not be liable to you or anyone else for any loss or expense this causes.

Sometimes we use the Society for Worldwide Interbank Financial Telecommunications (SWIFT) to carry out an instruction from you to transfer funds to a domestic or international payee. SWIFT is based in Belgium and has centres in Europe and the United States of America. Your transaction data can be stored for a time in these centres. You consent to this under the Data Protection Act 1998 as amended.

7.0 Accounts

7.1 The Bank is offering the Services to those of its personal customers (the "Customers" and each a "Customer") who hold an Account(s) subject to the terms and conditions set out hereunder, as same may be amended or varied from time to time (the "Terms and Conditions").

Usage of the Service indicates the Customer's agreement to be bound by the Terms and Conditions.

7.2 It is a pre-condition to the provision of the Services (other than the viewing of statements/transactions on Credit Card accounts) that:

- (a) the Customer is the legal and beneficial holder of the Accounts;
- (b) the Bank has been provided with an authority from the customer ("Mandate") to operate the Accounts.

To the extent to which the provision of the Services (or any of them) necessitates an alteration or amendment of the terms of the Mandate, the terms of the Mandate are hereby deemed to be amended to that extent only. The Bank shall not be responsible for verifying the existence or the terms of the Mandate.

7.3 The Customer may access the Services on authentication of the 365 PIN provided by the Bank.

8.0 Domestic Funds Transfer/Bill Payment Service

- 8.1 Registration for domestic funds transfer/bill payment service shall be in the manner prescribed by the Bank from time to time, and the record maintained by the Bank of the registration, or instructions which have been (or reasonably appear to the Bank to have been) issued by the Customer to amend the registration, shall be prima facie evidence of such registration. Previous use of the Services by the Customer to authorise a domestic payment transfer will constitute relevant authority in respect of such accounts.
- 8.2 The list of accepted recipients for the Bill Payment Service is as set out hereunder (this list may be amended by the Bank from time to time on notice to the Customer):
- a. Bank of Ireland UK MasterCard
 - b. Bank of Ireland UK Visa

Where the Bank is not a party to the provision of any of the above services by the service provider any and all inquiries and/or disputes in respect of those services should be directed by the Customer to the relevant service provider. Queries in respect of credit cards and charge cards should be directed to the relevant card issuer.

- 8.3 The Bank may refuse to act on any Instruction (as defined in Clause 8.1 below) without liability to the Customer where sufficient cleared funds are not available or where an agreed overdraft facility is not in place on the Account (where applicable) or where such overdraft facility (if in place) would be exceeded if the Bank acted on the Instruction.

- 8.4 Customers may register to effect payments by means of a funds transfer to Designated Accounts (other than the list set out at 7.2 above) within the UK. Payments will not be permitted to a new Designated Account until such registration is verified by means of a Security Code issued by the Bank to the Customer.
- 8.5 Funds transfers are not permitted from Loan Accounts or from Credit Card Accounts. Where a funds transfer is made to a Loan Account the resultant balance on the Loan Account may not be taken as conclusive evidence between the Bank and the Customer of the state of the Loan Account. The Customer accepts that where conclusive evidence of the state of the Loan Account is sought he/she must contact his/her branch of the Bank to ascertain the correct balance.
- 8.6 Domestic funds transfers to Designated Accounts are subject to transaction and other limits. Details of these limits are available from the Bank and may be altered by the Bank at its discretion from time to time.
- 8.6.1 Where Future Dated Payments are requested they shall be processed according to date order. Where two or more Future Dated Payments are requested for the same date they shall be processed in the order in which they were requested by the Customer.

- 8.7 Whilst customers may send instructions to the Bank 24 hours a day, every day of the year, in respect of payments out of an Account, (debit payments), the date of receipt of such payment instructions ("D") will be that Banking Day on which the payment instruction is actually received by the Bank prior to the cut-off time. The payee bank will be credited within one (1) Banking Day of the date of receipt by the Bank of said payment instruction (D+1).
- 8.8 Notwithstanding the provisions of 7.7 above, where the payee bank is the Bank, all such payment instructions will be processed on the same Banking Day.

9.0 Acting on Instructions

- 9.1 The Customer irrevocably authorises the Bank to act upon all instructions received in respect of the Services (once accompanied by the appropriate Security Device(s)) which have been or appear to the Bank to have been issued by the Customer, without taking any further steps to authenticate such instructions ("the Instructions" and each an "Instruction").
- 9.2 All debiting Instructions shall constitute a liability of the Customer. The Bank may refuse to act on any Instruction if the Instruction does not contain the IBAN and BIC number, or sort code and account number, or any other necessary unique identifier of the payee. In the event that the Bank refuses to process any such Instruction, the Bank will advise the Customer accordingly. The Customer may cancel or amend any Instruction given pursuant to these Terms and Conditions provided that the Instruction has not already been effected by the Bank.

10.0 Joint Accounts

10.1 Instructions for joint accounts may be given by any of the account holders although each account holder must register

separately and apply for his/her own individual 365 PIN and User ID.

10.2 Where the Customer comprises of more than one person, each such person agrees to be jointly and severally liable for all monies due or liabilities incurred arising from any Instructions given pursuant to these Terms and Conditions.

10.3 Any and all covenants, agreements, indemnities and provisions in these Terms and Conditions shall have effect as if they were joint and several covenants, agreements, indemnities and provisions by any such persons.

11.0 Recording

11.1 The Bank shall record Instructions received by way of the Services and, in the event of any dispute arising in relation to any Instructions or alleged Instructions, the record so kept by the Bank shall be prima facie proof of such Instructions or alleged Instructions for the purpose of determining such dispute.

12.0 Information on Account Balances

12.1 The Customer accepts that information on account balances (other than Visa and MasterCard Accounts) on the Banking Day of Access is comprised of:

(a) the balance as at close of business on the Banking Day prior to the Banking Day of Access; and

- (b) all cheques due for value on the Banking Day of Access, standing orders, all automated debits and credits due for value on the Banking Day of Access, and debits and credits made by use of Branch terminals and the ATM network or any other electronic money transfer system. All transactions included under paragraph (b) above are for information purposes only and the Customer hereby acknowledges that their status will not be confirmed until close of business on the Banking Day of Access.
- 12.2 The Customer accepts that information on account balances for Bank of Ireland UK Visa and MasterCard Accounts consists of the balances set at close of business on the Banking Day prior to the Banking Day of Access.
- 12.3 The information available by means of the Services (where applicable) shall not be taken as conclusive evidence between the Bank and the Customer of the state of the Accounts and while the Bank shall use all reasonable endeavours to ensure the accuracy and completeness of all such information, the Bank shall not be liable for any loss incurred or damage suffered by the Customer by reason or in consequence of any such information.

13.0 Direct Debits

- 13.1 The Customer may request the cancellation of any direct debit set up on an Account at any time. The Customer is responsible for ensuring that any such cancellation Instruction is issued in good time and the Bank shall have no liability to the Customer in respect of any payment made by the Bank on foot of a valid direct debit mandate where the Instruction to cancel the said mandate was not received by the Bank at any time up to and including the day the item has been paid.

14.0 Charges

- 14.1 The Bank may decide (subject to appropriate regulatory approval) to introduce a charge for operating the Services. Notice of the introduction of such a charge will be given to Customers by whatever means allowed by law or regulation the Bank in its discretion deems appropriate before the charges take effect. Unless the Customer advises otherwise, the Bank will debit the Customer's current account with any charges for Services should such charges be introduced.
- In such circumstances the Customer shall be free to dissolve this contract with the Bank and in so doing shall forthwith discharge all and any outstanding liabilities to the Bank. In the absence of any prior notice to the contrary, the Customer will be deemed to have accepted such revised Terms and Conditions with effect from their notified effective date.
- 14.2 Where applicable, standard Bank charges will be levied in respect of individual transactions/services in accordance with the Bank's then current schedule of fees and charges. Details of these fees and charges are as set out in the Bank's Schedule of Fees and Charges which are available from any branch of the Bank and on www.bankofireland.co.uk## (N.I) or www.bank-of-ireland.co.uk (GB).

14.3 We do not levy any additional charges for Bank of Ireland Mobile Banking or Pay to Mobile, however your mobile network operator may charge you for using or accessing the mobile network service. Any charges applied by your mobile network operator are beyond our control and you should refer to your mobile network operator for details of such charges.

15.0 Alterations

15.1 These Terms and Conditions, the available Services, and any associated limits or requirements, may be altered by the Bank at its discretion from time to time and will be altered by the Bank to comply with any regulatory directive or to enhance the security of the Services provided. Any such alteration shall become effective 2 months after notice of such alteration has been provided to the Customer by whatever means allowed by law or regulation the Bank, in its discretion, deems appropriate. In such circumstances the Customer shall be free to dissolve this contract with the Bank and if so doing shall forthwith discharge all and any outstanding liabilities to the Bank. In the absence of any prior notice to the contrary, the Customer will be deemed to have accepted such revised Terms and Conditions with effect from their notified effective date.

16.0 Limitation of Liability

- 16.1 The Bank shall not be liable for any delays, interruptions, errors or failures in the provision of the Services not within the reasonable control of the Bank including force majeure, those caused by failure or fluctuation of electrical power, industrial action, industrial disputes, breakdown or other malfunctions of the Customer's or the Bank's telephone or other technical equipment, including software. Additionally, the Bank shall not be liable, either in contract or in tort, for any loss or damage claimed to have arisen as a result of the non-availability, non-functioning or malfunctioning of the Services or otherwise in connection therewith.
- 16.2 In the event of any incorrectly executed transaction resulting from the acts or omissions of the Bank, the Bank will refund the amount of such incorrectly executed transaction and will restore an Account to the state it would have been in had the incorrectly executed transaction not taken place.
- 16.3 Where any transaction is effected by the Bank in accordance with any unique identifier (sort code, account number, IBAN or BIC) as supplied by the Customer but where the unique identifier supplied is incorrect the Bank shall have no liability to the Customer in respect of such transaction. The Bank will however make all reasonable efforts to recover the funds involved in such transaction. The Bank may charge the Customer in respect of all reasonable costs incurred in recovering the funds on behalf of the Customer.
- 16.4 Subject to the Customer's full compliance with these Terms and Conditions, the Bank shall accept liability for the non-execution or defective execution of a funds transfer between Designated Accounts or other bill payment, limited to the amount of the unexecuted or defectively executed transaction.

17.0 Customer Liability

- 17.1 The Customer must advise the Bank without undue delay, and no later than thirteen (13) months after the transaction date, of any unauthorised transaction.
- 17.2 In the event of an unauthorised transaction out of an Account, the Bank will, subject to 16.3 & 16.4 below, refund the amount of such unauthorised transaction and will restore the Account to the state it would have been in but for the unauthorised transaction.
- 17.3 Where such unauthorised transactions have resulted from the loss, theft or misappropriation of the Security Devices or any of them and where such loss, theft or misappropriation was reported to the Bank without undue delay the Customer will be liable for such unauthorised transactions up to a maximum of £50.
- 17.4 Where any such unauthorised transactions arise as a result of any fraud or gross negligence on the part of the Customer, the Customer shall be liable for the full amount of such unauthorised transactions.
- 17.5 The Bank shall have no liability whatsoever in respect of any loss or damage suffered by any person as a result of the Customer's breach of any of these Terms and Conditions.

17.6 Without prejudice to the generality of the above, the Bank shall have no liability whatsoever in respect of any loss suffered by the Customer as a result of their breach of Clause 3.0 by way of knowingly, negligently or recklessly disclosing the Security Devices or any of them.

18.0 Severance

18.1 Each of the provisions of these Terms and Conditions is severable from the others and if at any time any one or more of such provisions, not being of a fundamental nature, is or becomes illegal, invalid or unenforceable, the validity, legality and enforceability of the remaining provisions of these Terms and Conditions shall not in any way be affected or impaired.

19.0 Waiver

19.1 No time or indulgence which the Bank may extend to the Customer, nor any waiver by the Bank of any breach by the Customer of any provision of these Terms and Conditions shall affect the Bank's rights and powers there under.

20.0 Jurisdiction

20.1 The Terms and Conditions shall be governed by and construed in accordance with the laws of England & Wales. For the benefit of the Bank, the Customer hereby submits to the jurisdiction of England & Wales in relation to any claim or proceedings under the Conditions of Use. Where the account is held in Northern Ireland, the Conditions of Use shall be governed by the Laws of Northern Ireland and the Courts of Northern Ireland will have jurisdiction. Where the account is held in Scotland, the Conditions of Use shall be governed by Scottish law and the Scottish Courts will have jurisdiction. The Customer further irrevocably submits to any other jurisdiction in which it has assets and hereby waives any objections to any claim that any suit, action or proceedings have been brought in an inconvenient forum.

21.0 Termination

21.1 The Customer may terminate this Agreement at any time on notice to the bank.

21.2 The Bank may terminate this Agreement at any time on two months notice to the Customer.

21.3 In addition to the right to terminate as set out above, and without any liability to the Customer, the Bank reserves the right to block the use or operation of the Services in circumstances where;

- (a) there is a reasonable suspicion of unauthorised or fraudulent activity;
- (b) there has been a breach of these terms and conditions by the Customer; or
- (c) there has been a breach of terms and conditions of any of the Customer's Bank of Ireland accounts.

21.4 The Bank may terminate this Agreement or block the use or operation of the Services immediately on the death, bankruptcy or other act of insolvency of the Customer or in the event of the Customer having failed security checks in a manner which the Bank deems unacceptable.
