This is the current Tariff of Mortgage Arrears Charges and is valid from October 2022. This tariff provides details of the fees that may be payable in connection with the administration of any mortgage arrears and is not personal to you. Inclusion of a specific fee within this tariff should not be taken to mean that the service detailed will be either relevant or available to all mortgage account holders. The terms and conditions that apply to your mortgage explain the circumstances when a fee may be payable. All fees are subject to change and where applicable include VAT at the current rate. The rate of VAT may be subject to change from time to time. We reserve the right to charge further non-administrative fees applicable for products or services.
