- All the details on our rates are correct from 23/03/2026. Our rates can be removed at any time, without notice.
- The rates you'll be able to choose from depend on the type of mortgage you have and your Loan to Value (LTV). Your LTV is the amount you owe on your mortgage as a percentage of how much your property is worth. For example if you owe £75,000 and your property is worth £100,000, your LTV would be 75%.
- Visit bankofirelanduk.com/hub to register and log into your hub. You'll see what your interest rate and LTV is. Or, you can visit bankofirelanduk.com/get-in-touch if you need to speak with us.
- All our fixed interest rates move onto our Standard Variable Rate (SVR) when the fixed period ends. **Our SVR is currently 6.94%**. Your mortgage will stay on this rate for the length of your mortgage unless you switch to another deal. You can apply for a new fixed rate four months before your current deal ends.
