## Declarations

1. Bank of Ireland UK hasn't recommended this option for me, and I've read the Execution Only Disclosure (PDF).
2. I've read the information on the Bank of Ireland UK website and know how a temporary switch to interest only will affect me.
3. I'm applying for help with my residential mortgage and my mortgage payments are up to date.
4. I can only apply for a temporary switch to interest only payments once.
5. The switch to interest only is for six months then I'll go back on to repayment.
6. My monthly payment will be higher once I go back on to repayment. This is because I won't pay anything to reduce my mortgage balance during the six-month interest only period.
7. All borrowers named on the mortgage must consent to the temporary switch to interest only.

**I understand and agree to all the above statements.**
