Financial Assessment, Security and Guarantees

Credit Reference Search

In order to process your application we will supply your personal information to credit reference agencies (CRAs) and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your Account, trace and recover debts and prevent criminal activity.

We will also continue to exchange information about you with CRAs on an ongoing basis, including about your settled Accounts and any debts not fully repaid on time. CRAs will share your information with other organisations. Your data will also be linked to the data of your spouse, any joint applicants or other financial associates.

The identities of the CRAs, and the ways in which they use and share personal information, are explained in more detail in our Privacy Notice (bankofirelanduk.com/privacynotice).

Financial Assessment

Before we lend you any money, or increase your overdraft or borrowing limit, we will assess whether we think you will be able to repay it. This assessment will probably include looking at the following:

- ▶ Information you give us, including information to prove your identity and why you want to borrow the money
- ▶ Your business plan and up-to-date financials and management accounts
- ▶ Your business cash flow, profitability and existing financial commitments

- ▶ Any personal financial commitments which may affect the business
- ▶ The level of facility you are applying for and whether or not you have considered all the costs
- ▶ How you have handled your finances in the past
- ▶ Your track record in business and your management ability and experience
- ▶ Information we get from credit reference agencies and, with your permission, others, such as other lenders
- ▶ Credit assessment techniques such as credit scoring
- ▶ Any security provided

In order to complete our assessment, examples of the information required may include:

- ▶ A comparison of the forecasts in your business plan against actual results
- ▶ Progress on important parts of your business plan, such as renewing contracts
- ▶ Detailed cash flow forecasts
- ▶ Major capital spending proposals
- ▶ Details of amounts owed to creditors, amounts due from debtors and your debtors' profile
- ▶ Proof that you are meeting any special terms agreed between us
- ▶ Tax confirmation by an accountant

If your circumstances change, we will discuss any new information we may need from you. We recommend that you get independent advice before accepting any facility. We will let you know how long it will take for a lending decision to be made. Under normal circumstances and subject to receipt of all necessary information, we will inform you of the decision on your application for credit within 2-3 Business Days. We will keep you informed of the progress of your application.

If your application is successful we will write to you setting out our agreement both for our benefit and for yours. What is appropriate will vary from case to case and we will make our requirements clear. Your facility letter will be issued within one to two weeks of advising you of the approved decision. Times for perfection of security may vary dependant on security type and circumstance. We commit to instruct perfection of required security within 3 days.

If we decline an application for credit, or for an increase to an existing credit limit, we will:

- ▶ explain the reason why the application was declined
- ▶ explain how the application may be appealed
- ▶ offer the opportunity for the application to be referred to the Government Designated Finance Platforms.

Security

If we ask you to provide security to support your borrowing or other liabilities, we will tell you why we need this security. We will confirm what we need in writing. Security required could include property and other assets. If your business is a limited company we may require a personal guarantee from the directors of the company.

Security can take time to be put in place and there may be a cost involved. The cost of putting security in place will be payable by you. We will make sure that any facility and security documents are easy to understand, by avoiding technical language whenever possible. We will make sure that you have

the opportunity to discuss with us anything you are not sure about.

You should read all documents carefully and feel free to ask us questions. We recommend before you sign that you get independent advice, particularly if you are not sure about your liability.

If a default occurs the Bank will have the right to the security as part of the terms of the borrowing. This may involve the Bank taking possession of any assets held and realising their value by selling them. The money would then be applied to the balance owed to the Bank. In most cases, this will be used as a last resort and the Bank will do it's best to avoid selling assets or calling in any guarantees held.

We will release any security we hold when you have repaid your borrowing in full and on time, unless otherwise instructed by you.

Guarantees and Other Security From Another Person

We may agree to accept security provided by another person to support your business liabilities. If you want someone to act as a guarantor, or provide security for your facilities, we may provide confidential financial information to that person or to their legal adviser. If the guarantee, or other security, is provided by an individual rather than a business, we will also:

- ▶ Recommend that the person giving the personal guarantee takes independent legal advice so they understand their commitment and the possible consequences of their decision (where appropriate, the documents we will ask them to sign will contain this recommendation as a clear and obvious notice); and
- ▶ Tell them that by giving the guarantee or other security they may become liable instead of, or as well as you, and;
- ▶ We will not take an unlimited guarantee from individuals; and
- ▶ We will provide the guarantor with information in relation to the facility they have guaranteed including, but not limited to, the amount outstanding under the facility, the status of the facility and their current level of liability at any time during the life of the facility.

Fees

Any legal, valuation or other fees and out-of-pocket expenses incurred in connection with any facility provided/to be provided by us will be payable by you.

How to appeal your declined credit application

Details on how to appeal your declined credit applications can be found on our website:

www.bankofirelanduk.com/business/lendings-appeal-process/how-do-i-appeal/

Referring your declined application to the Government Designated Finance Platforms

Under the Small Business Enterprise and Employment Act 2015, as a Government designated bank, we are obliged to offer you a referral to the Government Designated Finance Platforms. If we decline your application or you reject a facility offered on a different basis to the one you applied for, we will

ask you for your verbal consent to refer your application to the Finance Platforms.

If you consent to a referral, we will provide specified information regarding your application to each of the Finance Platforms who will then make contact with you. Your specified information will not be passed on to any potential lenders until your further consent is given to the Finance Platform.

Banker's References

If we are asked to give a banker's reference about you, we will need your written permission before we can give it. The written reply we give is an opinion based on our knowledge of you and your financial affairs. It is not a guarantee for which Bank of Ireland UK can be responsible. Charges may apply.

You will at all times do what is necessary to ensure security is maintained when giving instructions by telephone or fax. Banking instructions or transactions received by us after close of business on any Business Day will be processed on the next Business Day.

General Information

Notifying us of changes

You must advise us in writing of any changes to your name, corporate status, registered office/trading address and your telephone number. You must also notify us in writing of changes in your directors, members, partners, beneficial owners, authorised signatories, trustees or equivalent governing body, in accordance with your Mandate.

Fees and Charges

Our Schedule of Charges for Business Customers Great Britain provides details of charges that apply to your Account. If we increase any of these charges we will tell you in writing at least 2 months (unless you are a Corporate Customer) before the change takes effect.

We will tell you the charge for any service or product not listed in the Schedule of Charges for Business Customers Great Britain before we provide that service or product and at any time you ask.

Interest Rates

When you become a customer we will give you information on the interest rates that will apply to your Accounts and when we will deduct interest or pay it to you. Information on the most up to date interest rates is available by calling your Account Manager or by visiting our website: bankofirelanduk.com. If you ask us, we will give you a full explanation of how we work out interest.

Interest rate changes

Sometimes rates are 'fixed' and will not change for the fixed period which we agree with you in advance; other times they are variable. In certain circumstances interest rates may be changed with immediate effect. Please see Conditions 21 - 25 of the Terms and Conditions for further details.

Individual notification will be dependent on the type of Account you hold, this is detailed in the Account Terms and Conditions (see Appendix 1).

When we change the interest rates on your Accounts, we will update the information available on our website within three Business Days. We may place notices in newspapers, usually The Times and The Daily Mail.

To help you compare rates more easily, the old rate will also be published.

Pre-Notification of Fees and Charges

You will be notified, at least 14 days in advance, of any transaction fees and interest to be applied to your Account e.g. overdraft interest.

Statements

We'll send you a free bank statement each month. Your statement will give you a record of every transaction on your Account since the date of your last statement. We may not send you a monthly statement if you have no transactions during that month.

If you choose to use 365 Digital Banking

Your electronic statements can be viewed on our mobile app or 365 online, but we may also send you paper statements. You can choose between paper and electronic statements anytime using our app or 365 online. If you choose to receive statements electronically you must tell us your email address so we can let you know when they are ready. Even if you get paper, you can still get a copy on our mobile app or 365 online.

For Savings Accounts, where the frequency of statements differs from that set out above or no statements are issued, this is set out in the Special Terms and Conditions for that Account.

You should always check your statements.

If your statement has an entry which seems to be incorrect, you should tell us as soon as possible so that we can investigate it for you.

Payments to/from Your Account

Lodgement

We will only accept cheques for Lodgement if the payee is the same as the account name into which the cheque is being paid.

If you wish to make an inter-bank/branch lodgement you must use a pre-printed lodgement/giro form. Lodgement books are available on request.

Standing Orders

A standing order is a written instruction from you to pay a fixed amount from your Account at regular intervals (weekly, monthly, quarterly, annually). The recipient account may be anywhere in the UK. It is a useful way to make regular fixed sum payments such as rent or loan repayments. To cancel or amend a standing order you must tell us (either in written or electronic format) at any time before the end of the Business Day preceding the date on which the funds are due to be debited from your Account.

If there are insufficient funds available in your Account on the date a standing order payment is due, the payment will not be made. We may automatically try to make the payment the next business day and for some standing order types, e.g. to a loan Account, for up to six days after the original date of the payment.

Direct Debits

A Direct Debit is different to a standing order because you authorise someone else ("the Originator") to debit your Account. The amount can vary each time if necessary. It is a very convenient way to take care of regular payments like telephone, gas or electricity bills. If there is a change in the amount to be debited, the Originator must advise you of this in advance. You may cancel a Direct Debit at any time up to the date of payment. If you want to stop a Direct Debit you must write to the Originator and to us also.

Direct Debits are covered under the Direct Debit Guarantee Scheme which protects you if a Direct Debit you have not authorised is taken from your Account. If an error is made in the payment of your direct debit, by the organisation or by us, you are entitled to a full and immediate refund of the amount paid from your bank account.

Recurring Transactions

Recurring or Continuous Payment Authority (CPA) Payments

This is a regular card payment when you give your credit or debit card details to a company and authorise them to take regular payments from your Account. These payments are often confused with direct debits, but are not covered by the Direct Debit Guarantee Scheme.

Cancelling a Recurring or Continuous Payment Authority (CPA) Payment

It should be possible to cancel these payments by telling the company taking the payments. However we recommend that you give the instruction to cancel in writing. You can also cancel them with the Bank by confirming that you have stopped permission for the payments. Be aware that you will

still be responsible for paying any money that you owe. Your instruction should be received by us one Business Day prior to the date the payment is due.

Telegraphic Transfers and CHAPS Payments

Telegraphic Transfers and CHAPS payments can be processed for you on your request. There will be a charge for these services (please see our Schedule of Charges for Business Customers Great Britain). Please see 'Transaction Information Box' in this Guide for information on cut off times.

Open Banking (Payment Accounts Only)

You can choose to allow Third Party Providers (TPPs) to access information on your account, make payments on your behalf or check the availability of funds. The 'Open Banking' initiative is designed to make it easier for you to manage your finances and provide you with greater choice.

In order to use TPP services, your Account must be accessible online and you must be registered for one of our online channels - 365 Digital & Phone Banking or Business On Line. For more information refer to

bankofirelanduk.com/openbanking.

Cheques

You must sign cheques in accordance with your most recent Mandate, otherwise they may not be paid and you will have to pay an unpaid charge.

Before you write a cheque, you should ensure you have sufficient cleared funds or sufficient overdraft permission on your Account to meet the cheque.

Banks and Building Societies in the UK have changed how sterling cheques drawn on UK Banks are processed. The new image clearing process uses a digital image of the cheque, speeding up the time it takes for it to clear. We keep original cheques paid from your Account for at least 6 years where the old paper clearing process was used. Where the image clearing process is used, the original cheque when paid from your Account will be destroyed within three Business Days.

We can give you a copy of a cheque if you need it, but there is a Fee for this service. Please see our Schedule of Charges for Business Customers Great Britain for details. If, within a reasonable period after an entry has been made, there is a dispute with us about a cheque paid from your Account, we will give you a copy of the cheque as evidence. If there is unreasonable delay after you have told us about it, we will re-credit your Account with the amount of the cheque until we have resolved the matter.

Security of cheques lodged by post cannot be guaranteed.

Stopped cheques

After you have given someone a cheque you can ask us not to pay it, provided we have not already done so. You should place a stop immediately on any cheque that is lost or stolen. You can place a stop in several ways:

- ▶ Via Business On Line
- ▶ In writing
- ▶ By telephoning your Account Manager or Customer Service team on 0345 850 1234.

If you decide to stop a cheque you must give us as much notice as possible as a cheque cannot be stopped once it has been paid. We will make all reasonable efforts to stop a cheque. A stop payment fee will apply.

Unpaid cheques

A cheque issued by you may be returned unpaid unless there are sufficient cleared funds in your Account or you have sufficient overdraft permission when the cheque is presented for payment from your Account. If we need to tell you that one of your cheques or other items has been returned unpaid, we will do this either by letter or by telephone. A charge will be payable.

Post-dated cheques

You must not issue post-dated cheques. If you put a future date on a cheque we may still pay it before the date on the cheque. If this happens, we will not pay you for any loss that you suffer as a result.

Out-of-date cheques

If the date on a cheque is more than six months old on presentation, it may be returned unpaid.

When money is available – the Image Clearing Process

All sterling cheques drawn on a UK Bank or Building Society will clear on the business day after it is paid in.

If you pay a cheque into your account at your own branch, it will be shown on your bank statement on the same day (day 1). However, we have to collect the payment from the account of the person or business that gave you the cheque. The process of collecting that payment is known as 'clearing' the cheque.

Cheques paid into your Bank of Ireland UK account

The amount of the cheque will usually be available for you to withdraw or spend by the end of the next Business Day.

Amounts paid in at other banks

When you pay an amount in at another bank it takes at least one extra Business Day to get to your account (day 2 rather than day 1).

Cheques you write from your account in the UK

When you write a cheque, the full amount could be taken from your account on the same day if the person or business you have given the cheque to has their account at the same bank as you, or the next Business Day if their account is at another bank.

Before you write a cheque you should ensure you have sufficient cleared funds or sufficient overdraft permission on your Account to meet the cheque.

Glossary of Terms

Some words used in explaining the Clearing Cycle have certain meanings:

Business Day	Any day from Monday to Friday, excluding Bank Holidays (English Bank Holidays to apply in England and Wales; Scottish Bank Holidays to apply in Scotland; Northern Irish Bank Holidays to apply in Northern Ireland).
Day 1	The day that the Account is updated with the proceeds of the cheque. This can also be referred to as Transaction Day or T Day.
Drawn	Payable from the bank where the person or business that issued the cheque holds their Account.
Lodgement	A payment into an Account. A lodgement can be made up of cash and/or cheques.
Payee	The person or business that a cheque is payable to.
Draw Out	When funds lodged by cheque are available for withdrawal from the Account (either as cash or to fund another payment from the Account). The ability to 'Draw Out' is subject to the overall status of the Account (e.g. the balance after the withdrawal remains within an agreed overdraft limit). Also there may be value limits on the amounts that may be withdrawn by particular methods (e.g. a daily limit on the value of ATM withdrawals).

Using our bank services at Post Offices®

The following services are available to Business customers at Post Office® outlets within the United Kingdom:

- ▶ Lodge cash and/or cheques into your account
- ▶ Cash withdrawal in pounds sterling
- ▶ Check your balance

However, please note that the availability of these services will vary depending on different Post Office® outlet types.

More information can be found on our website at bankofirelanduk.com/business.

Cash paid in using your card

A cash lodgement can be made at the Post Office® using your Business Visa Debit Card and/or Business Quick Lodge Card.

Paying in Cheques

You can make a cheque lodgement using a pre-printed lodgement slip and a Bank of Ireland UK special purpose paying in envelope ("Envelope") which are available at Post Office outlets.

The following requirements must be adhered to:

- ▶ All cheques must be in pounds sterling and drawn on a UK bank
- ▶ Foreign currency cheques cannot be included
- ▶ All cheques must be payable to the name(s) shown on the pre-printed lodgement slip

Place your cheques, along with your completed pre-printed lodgement slip, into the Envelope. You cannot put cash in the Envelope.

The clearing process for cheques lodged at Post Office outlets begins the day we receive the cheque(s) which is normally the next Business Day.

If the special purpose paying-in envelope or the contents of any Envelope is delayed by the Post Office, the Bank or any of their respective servants, agents or employees it may result in the cheque lodgement being received after this time meaning it will take longer for the funds to reach your account. For more information on the cheque clearing process please refer to the 'Cheques' section of this Guide.

Cash Withdrawals

The cash you withdraw using your Business Visa Debit Card will be debited from your account immediately. You can withdraw any amount up to the daily limit on your card subject to available funds.

Checking your balance

You may check your balance at all Post Office outlets.

There are no extra charges for using banking at Post Office outlets. Please refer to our Schedule of Charges for Business Customers Great Britain available on our website bankofirelanduk.com/business.

Automated Payments

Automated payments to other Banks/ Debits from other Banks (including online/ telephone transactions)

Payments made through BACS are transferred direct to the payees' bank accounts. Similarly, in the case of Direct Debits, payments are collected directly from them. The cycle for BACS payments is as follows:

- ▶ Business Day 1 – Customer/Originator transmits automated data (payment or payment request)
- ▶ Business Day 2 – All data accepted by BACS is processed
- ▶ Business Day 3 – Funds are debited to customer account/ credited to destination Bank Accounts

Payments may take longer than three Business Days through some financial institutions.

Payments made over the phone and over the internet are debited from your Account on the date of instruction and credited to the payees' account as above.

Internal Automated Payments (including online/telephone transactions)

Payments to another Bank of Ireland UK Account in the UK made over the phone or online are debited from your Account(s) on the date of instruction and credited to the payee's account immediately.

You must operate your Account in accordance with the most recent Mandate that you give us. The terms of your Mandate are in addition to our Terms & Conditions, as are the terms of any overdraft we agree with you in writing.

We reserve the right to refuse any Lodgement or to refuse to open or renew an Account without giving any reason for our decision.

Banking instructions or transactions received by us after close of business on any Business Day will be processed on the next Business Day.

If you are a Sole Trader

- ▶ If you die, your Account will be operated on the instructions of your personal representative(s). If you have authorised a third party to sign instructions on your Account under your Mandate, the third party will not be able to carry on giving instructions in accordance with the Mandate after your death.

If you are a Partnership

- ▶ In the event that there is a dispute between the partners and we are told about it, we may suspend the operation of your Mandate until all partners confirm that the dispute is resolved or until you give us a new Mandate signed by all partners. Whilst a Mandate is suspended, Transactions will only be authorised if they are signed by all partners
- ▶ The liability of each partner is joint and several. This means that partners are liable together but also as individuals for all monies due or liabilities incurred in the name of the partnership.

If you are a Company, Limited Liability Partnership, Trust, School, Club or other Association

- ▶ In the event that there is a dispute between the directors, members, trustees or other governing board (whichever applies) and we are told about it, we may suspend the operation of your Mandate until all directors, members, trustees or governors confirm that the dispute is resolved or until you give us a new Mandate pursuant to a board resolution agreed at a meeting of the directors, members, trustees or governors. Whilst a Mandate is suspended, transactions will only be authorised if they are signed by all directors, members, trustees or governors.
- ▶ In relation to all other Account Holders:
- ▶ If we are advised of a dispute between the representatives of the Account holder and/or the Account signatories, we may suspend the operation of your Mandate until all parties who we are aware of and who have an interest in the Account confirm that the dispute is resolved or until you give us a new Mandate signed by all such parties. Whilst a Mandate is suspended, transactions will only be authorised if they are signed by all parties.

Financial Difficulty – How We Can Help

If you're worried that you're having difficulty managing your finances, we would encourage you to contact us so that we can understand your circumstances and work with you to agree the best way forward. You should also be aware that there are various not for profit organisations which can offer you free independent debt advice and you can find more details below.

If you have a number of debts with different providers we would recommend that you contact an organisation which can help you manage your debts and develop a plan to repay all of your creditors.

Our leaflet "Dealing with Debt for Business Customers" provides further information on our approach and contact details for organisations that can provide advice and support. The leaflet is available on our website: bankofirelanduk.com or by contacting your Account Manager or our Customer Service team on **0345 850 1234**.

UK Finance has a leaflet called 'Dealing with Debt – A Guide for Customers' which provides practical information and helpful advice to customers who are facing financial difficulty.

Protecting your Accounts

The care of your cheque book, Business Card, password(s), PIN and other security information is essential to prevent fraud and protect your Account. To help prevent fraud and protect your Account you should:

- ▶ Let us know as soon as possible when you change your name, address, phone number, or email address
- ▶ Check your statement regularly. If there is an entry which seems to be wrong, you should tell us as soon as possible so that we can resolve it
- ▶ Sign your card as soon as you receive it
- ▶ Your cheque book and card should not be left unattended in premises or vehicles
- ▶ Always take reasonable steps to keep your card safe and PIN secret at all times. You must not tell your PIN to anyone or let anyone else use the card
- ▶ Destroy the notification of your PIN promptly upon receipt
- ▶ Keep your transaction receipts safe and dispose of them carefully
- ▶ If you change your PIN, you should choose your new PIN carefully

Online banking is safe and convenient as long as you take a number of simple precautions. Please make sure that you follow the advice given below:

- ▶ Keep your PC secure. Use up-to-date anti-virus and spyware software and a personal firewall
- ▶ Keep your password and PINs secret
- ▶ Treat emails you receive with caution and be wary of emails or calls asking you to reveal any personal security details. Neither the police nor we will ever contact you to ask you to reveal your online banking or payment card PINs, or your password information.
- ▶ Always access our internet banking site by typing the address into your web browser. Never access any banking site from a link in an e-mail and then enter personal details.
- ▶ Additional advice on online banking security is available from UK Finance at financialfraudaction.org.uk.

It is essential that you tell us as soon as you can if you suspect or discover that:

- ▶ Your cheque book has been misused, lost or stolen
- ▶ Someone else knows your passwords, PIN or other security information

If your Business Card has been lost or stolen, or someone else knows your PIN, or personal security information, you must call our dedicated 24-hour Lost and Stolen Card Services via the Freephone number listed on bankofirelanduk.com/help-and-support/contact-us. (You may be asked for your Account number when making the call).

Liability for losses (non-Corporate customers)

Unless we can show that you acted fraudulently, or you authorised the use of any personalised device or procedure made available to you which allows you to execute a payment transaction on the Account e.g. Business Card and PIN or phone or online banking security devices ("Payment Instrument") by someone else, your liability for misuse of the Payment Instrument will be limited as follows:

1. In relation to misuse of your Business Card, you will not have to pay anything if the misuse occurred;
 - ▶ Before you received your card
 - ▶ After you notified us of loss, theft or unauthorised use or that the card details might be known to someone else
 - ▶ As a result of the card details being used by someone else but the card was not lost or stolen (for example the card was "cloned" or "skimmed" when you used it in an ATM or payment machine.)
 - ▶ As a result of the card details being used by someone else to make a purchase by phone or online
2. You will be liable for the first £35 of losses which occur during the period of unauthorised use which starts when it is detectable and your Payment Instrument is in the possession of an unauthorised person and ends when you notify us of this.
3. You will be liable for all losses which result from unauthorised use of your Business Card on an Account with a credit balance or an Account with an overdraft which is not regulated by the Consumer Credit Act 1974 and you have failed with intent or gross negligence:
 - ▶ To keep the Payment Instrument details safe
 - ▶ To use the Payment Instrument in accordance with the terms and conditions or
 - ▶ To notify us of the loss or theft or that someone else might know your security information.

Authorised Push Payments

What is Authorised Push Payment Fraud?

Authorised push payment fraud happens when you are tricked by a criminal into sending money by bank payment to an account that they control and which you do not.

What happens if you've been a victim of an Authorised Push Payments scam?

If you are tricked into sending money to a fraudster, you should tell us as soon as possible by calling us on 0800 121 7790. Reimbursement rules apply to CHAPS and Faster Payments you send after 7 October 2024 to an account which you don't control. You must tell us within 13 months of the date of the last payment or you may not get a refund.

We'll look at each request for a refund and provide a refund if we're required to under the rules. If you're entitled to a refund,

you should get your money back within five business days, but it could take up to 35 business days if we need to gather additional information. A £100 excess may apply. If it applies, we'll take the £100 off the amount we refund to you.

These rules do not apply to payments you send to accounts outside of the United Kingdom, any transactions not made in GBP (£), and payments using cash, cheque, or cards.

If you have sent money from your account to an external account that you control, such as another bank account, online wallet or crypto-wallet, you will need to raise your claim directly with that organisation.

For more information about these rules (including the maximum repayment limit for claims), and how they might apply to you, please visit: psr.org.uk/information-for-consumers/.

Liability for losses (Corporate customers)

You will be liable for all losses resulting from unauthorised transactions. Please see clause 113 of the Terms and Conditions.

Non-execution, defective or late execution of payment transactions

If we are responsible for the non-execution, late or defective execution of a transaction we will take the necessary steps to ensure that the transaction is correctly executed and restore your Account to the state it would have been in if the transaction had been correctly executed.

Whether we are responsible or not for non-execution, defective or late execution of a transaction you have asked us to make you have a right to ask us to make efforts to trace it and notify you of the outcome.

Direct Debit refunds

If you give your authority to take a direct debit payment of an unspecified amount from your Account and the amount of the payment exceeds the amount you reasonably expected, taking into account your previous spending pattern you may request a refund within eight weeks of the date on which the funds were debited. We will also refund any interest you have paid in respect of the direct debit payment from the date it was taken from your Account. The right to a refund in these circumstances does not apply to a Corporate Customer.

However, if you knew about the transaction at least four weeks before it took place and you gave your consent to execute the transaction directly to us you have no right to a refund.

Confidentiality

Your relationship with us is a confidential matter (even when you are no longer a customer). We will not reveal information about you or details about your Account to anyone, other than in the following circumstances:

- ▶ If we are required to give the information by law or regulation
- ▶ If there is a duty to the public to reveal the information
- ▶ If it is in our interests to give the information (excluding marketing purposes)
- ▶ If you ask us to give the information or if you give us permission

Telephone calls may be recorded for training purposes. Further details can be found in our Privacy Notice available on: bankofirelanduk.com/privacynotice.

If you are providing information about your debtors or creditors, this may include personal data about individuals. You should comply with the requirements of all applicable Data Protection Legislation, including disclosure of their information.

Switching Your Business Current Account

If you decide to move your Account to another financial institution we will facilitate your switch to your new bank or building society. Full details are available from your Account Manager or Customer Service Team by calling 0345 850 1234 or writing to us at Bank of Ireland UK, PO Box 2124 Belfast BT1 9RS.

1. We will not be liable to you for any loss whatsoever if:
 - ▶ we are prevented from providing relevant banking or other services by reason of strikes, acts of terrorism, industrial action, failure of power supplies,

telecommunications or other equipment that we do not own, manage or control or other circumstances outside our control or the control of our agents or subcontractors.

Any notice we give you shall be deemed to have been received by you in the case of a letter when delivered personally, or 48 hours after it has been sent by post to you at the last address given by you to the Bank, or in the case of an advertisement in a newspaper on the day the newspaper is published.
 3. If we do not enforce, or delay in enforcing any of our rights this will not stop us from enforcing any such right at a later date.
 4. If any part of this Agreement should be invalid, unlawful or unenforceable for any reason, that part will be severed from the remainder, which will continue to apply.
 5. Where we have used words incorporating the plural they also include the singular (and vice versa). Headings used in these Terms and Conditions are for convenience only.
 6. Your agreement is in English and all communications issued under or in connection with it will be in English. You and we may communicate in writing, by telephone, by fax, or by using 365 online or Business On Line. You may request a copy of your agreement at any time during its course.
 7. These Terms and Conditions (and other documents we have referred to in them) as we may vary them from time to time, represent your entire agreement with us.

Set-Off

11. If you have any Account with us that is in credit we can transfer money from that Account to any other Account that you hold with us that is overdrawn. We will not give you prior notice of this transfer, but we will inform you about it. In addition, whilst any of your Accounts are overdrawn we will also have a lien on any of your property or security that we hold.
12. We can also set-off appropriate, combine and consolidate all or any Accounts that you hold with us without giving you prior notice and may set-off or apply such money towards satisfaction of an overdraft on any of your Accounts or against any other monies due or owing from you to us, whether actual or contingent, in relation to any Transaction.

13. The provisions in clause 11 and 12 apply to any Account which you hold with us, irrespective of the currency or location. It may from time to time be necessary in the exercise of these rights for us to convert funds from one currency to another and such conversion shall occur at our prevailing rate. Any fee or charge we incur as a result of such conversion shall be paid for by you.

Changes to these Terms and Conditions

14. We may vary, amend or add to these Terms and Conditions.

15. This Condition 15 applies if your Account is a Payment Account:

15.1 All changes to these Terms and Conditions will be notified to you at least two months (unless you are a Corporate Customer) before they take effect. Such changes will be deemed to be accepted by you unless you advise us to the contrary. You have the right to terminate your Agreement with us, without charge, at any time before such changes take effect. If you wish to do this, please contact your account manager.

16. This Condition 16 applies if your Account is not a Payment Account:

16.1 Any changes which are to your advantage may take effect immediately;

16.2 All other proposed changes will be notified to you at least two months (unless you are a Corporate Customer) before they take effect. Such changes will be deemed to be accepted by you unless you advise us to the contrary. You have the right to terminate your Agreement with us, without charge, at any time before such changes take effect. If you wish to do this, please contact your account manager.

16.3 If we have made a major change or several minor changes in any year, we will give you a copy of the new Terms and Conditions or a summary of the changes.

17. We will tell you about any changes to your Terms and Conditions by any of the following means:

- ▶ Advertising in the press
- ▶ Sending you written notice or email

Taxation

18. Interest paid on your Account will represent UK source income for taxation purposes. You will normally be required to include it within any return of income or profits required by the applicable authorities relevant to your own circumstances. In certain countries, including the UK, there is an obligation to notify e.g. the tax authorities where income is received even if no return is otherwise requested. You should consult the authorities in your jurisdiction or take professional advice if you are uncertain of your obligations to report the interest income.

19. We may inform any tax or supervisory authority (whether in the UK or overseas) of your details and the amounts of interest paid to you where any law or regulation requires this.

20. Interest will be paid gross.

Interest rate changes

21. The interest rate may be fixed and will not change for the period that we agree with you in advance; otherwise the interest rate will be variable.

22. This Condition 22 applies if your Account is a Payment Account:

22.1 Any changes to interest and exchange rates which are to your advantage or are based on reference interest or exchange rate information already provided to you, may take effect immediately;

22.2 All other proposed changes will be notified to you at least two months (unless you are a Corporate Customer) before they take effect.

23. This Condition 23 applies if your Account is not a Payment Account:

23.1 Any changes which are to your advantage we will give you notice of the change either before the change comes into effect or at the earliest opportunity afterwards

23.2 If we are changing the interest rate in a way that is to your disadvantage, we will notify you up to 14 days before the change comes into effect. This will only apply where your Account has a balance of £100 or more.

The reason for such change may be one or more of, but shall not be limited to, the following reasons:

- ▶ To reflect general changes in interest rates
- ▶ To respond to the actions of our competitors
- ▶ To reflect fluctuations in markets.
- ▶ To ensure that we are able to secure income which is adequate to ensure that we meet the requirement of any regulatory body and have sufficient resources to support our business in the interest of all our customers

24. When we change the interest rates on your Accounts, we will update the information on our website within three Business Days and we may place notices in newspapers (usually The Times and The Daily Mail).

25. To help you compare rates more easily, the old rate will also be shown on our website and newspaper notices.

Transactions on your Account

26. We may apply a negative rate of interest so that you pay us interest at a negative rate on any credit balance on any Business Current Account or Business Savings Account you hold with us at such rate as we shall apply to such account from time to time.

27. Negative interest will be calculated by us each day based on the cleared balance on the account using the applicable negative interest rate. Negative interest will be charged to and deducted from the account at the end of every month or at such other intervals as we may agree with you. Any amount of negative interest that becomes due by you to us is a "Negative Interest Amount".

28. For so long as negative interest applies to the credit balance on the account, you agree to ensure there are enough available funds in the account (by way of credit balance and/or approved overdraft) to pay each Negative Interest Amount in full and on time. We may refuse to allow you to make a withdrawal from an account if we reasonably anticipate that such withdrawal will cause a breach of this clause.

29. If the available funds on the account are insufficient to pay, in full, a Negative Interest Amount due to us, you agree to pay any shortfall (the "Shortfall Amount") within

three Banking Days of the due date for payment of the corresponding Negative Interest Amount. Interest will accrue on any Shortfall Amount from the due date of payment until payment in full at the rate of 4% per annum.

30. For the avoidance of doubt, nothing in these terms shall be interpreted to oblige us to pay you interest on any debit balance or overdraft on a Business Current Account.

31. For value dates and cut off times in respect of payments from your Account please refer to the Transaction Information Box in this guide.

32. If we do not execute or incorrectly execute a transaction we will without undue delay take whatever action is necessary to rectify the error or omission.

33. If you are aware that an amount has been incorrectly credited or debited to your Account you should notify us immediately. If you use funds with the knowledge that they were incorrectly transferred into your Account, we may take steps to recover the money from you or take it from your Account and take such other proceedings or actions as may be appropriate. In certain circumstances we may request your authority to recover a misdirected payment which has been credited to your Account. If your authority is not forthcoming, we will provide such of your details as may be required to the relevant payer in order to assist their recovery of the misdirected payment(s).

34. In the event that you fail to complete any foreign currency Transaction via Business On Line, Telegraphic Transfer or any other means using a booked exchange rate, you authorise us, without prior notice to you, to debit your Account(s) in respect of any costs or losses incurred by us.

35. We may without prior notification to you or any additional Account Holders refuse to make a payment from your Account if:

- ▶ you have insufficient available funds in your Account. Please see the Interest Rates for Business Customers and Schedule of Charges for Business Customers Great Britain leaflet for the current charges applicable to unauthorised overdraft charges;
- ▶ you have given us unclear, incorrect or incomplete instructions;
- ▶ you are in breach of your Agreement;
- ▶ we suspect fraud or other illegal activity;
- ▶ we know, or have reasonable grounds to suspect, that you have not consented to the Transaction from a TPP you have not authorised us to process the Transaction from the TPP
- ▶ we believe there is any significant adverse change in your financial circumstances;
- ▶ we have any legal or regulatory reason;
- ▶ we consider that our business reputation may be significantly compromised or
- ▶ We have any other justifiable reason to do so.

If we refuse to make a payment we will notify you. We may do this in a variety of ways depending on the nature of your Account and type of payment:

- ▶ Business Cards – by displaying a message on the ATM or other point of sale payment terminal immediately;
- ▶ Direct debits and standing orders – by displaying related charges on your bank statement. This information is also available on 365 online and Business On Line.

- ▶ For other payment types (e.g. telegraphic transfers) – by contacting you directly to advise you that the payment request has been refused.

You may request details of any unpaid item(s), the associated charge(s) and our reason(s) for refusing to make the payment by contacting your Customer Service Team or Account Manager.

36. If you lose or part with your Business Card, if it is taken from you even for a short period of time, is stolen or used in an unauthorised or irregular manner, or if someone else knows your PIN, you must telephone us immediately via the Freephone number listed on **bankofirelanduk.com**.

We may stop or suspend your use of any Business card, password and/or PIN to authorise transactions if:

- ▶ we suspect fraud;
- ▶ you are in breach of your Agreement with us; or
- ▶ we believe there is a significant adverse change in your financial circumstances.

If we do this, we will let you know why as soon as possible. It is your responsibility to ensure that all employees are aware of these guidelines and take all the necessary precautions to ensure that they follow the correct procedures in relation to safe-guarding both their Business Card and PIN against loss, theft or fraud.

37. In the event we suspect or detect any fraud or unauthorised activity on your Account, we will advise you via phone call, SMS message or email as appropriate. If we deem it necessary we may block your Account and will advise you of the block and how it may be removed.

38. If you become aware of any unauthorised or incorrect Transactions on your Account, you must notify us without undue delay by contacting your Customer Service Team or Account Manager. Notification must be received by us no later than 13 months from the date the transaction was debited from your Account or you may not be entitled to a refund. Once you have notified us of an alleged unauthorised or incorrectly executed transaction on your Account, we will promptly investigate your claim. In some cases, we may ask you to give us further information about the transaction (for instance, to enable us confirm that the transaction was properly authorised and authenticated where the instruction came from a TPP) or cooperate with the police or other enforcement bodies. This does not apply to Corporate Customers. Please see clause 113 below.

39. Where we establish that the transaction was not authorised by you, we will refund the amount of the transaction and, if applicable restore the Account to the state it was in had the unauthorised transaction not taken place. However, if the unauthorised transaction arises from the loss or theft of a Business Card or misappropriation of security information, you will be liable up to a limit of £35 provided that you have not acted fraudulently or failed with intent or gross negligence to protect the security of your Account, in which case you will be liable for all losses. This does not apply to Corporate Customers. Please see clause 113 below.

40. We reserve the right to debit from your Account the amount of any refunds (if any) paid to you where, upon further investigation, it is subsequently established that you are not entitled to a refund. There is no right to a refund where consent for a transaction has been given directly to us (for example, a direct debit), or where information

on the payment transaction was given to you at least four weeks before the due date by the payee or their bank.

- ▶ In the case of any dispute between you and the Bank regarding a transaction, the books and records kept by, or on behalf of, the Bank (whether kept on paper, microfilm, by electronic recording or otherwise) shall, in the absence of manifest error, constitute sufficient evidence of any facts or events relied on by the Bank in connection with any matter or dealing relating to the transaction.
- ▶ Your International Bank Account Number (IBAN), of which the last 8 digits is your Account number, will be quoted in all documents.

41. If you require a certificate of interest paid, please advise your Account Manager when the Account is opened and this will be generated automatically for you.
42. We'll send you a free bank statement each month you have made at least one transaction on the account. We may not send you a monthly statement if you have no transactions during that month.

Legal Action on Your Account

43. If we receive a notice of a fine, a court order or a court judgement against you or any other Account Holder, we may refuse to allow Withdrawals or transfers from your Account until the fine is paid or the legal process comes to an end. Any fine, court order or court judgement will not prevent us from exercising any right of set-off (using money which we hold for you, or which is due to you, to pay debts you owe us) or enforcing any other 'security interest' (a right over something which we can take if debts are not paid). You are responsible for any losses, costs or expenses we have as a result of any dispute or legal action with someone else involving your Account.
44. If another person makes a claim for any funds in your Account (for example, if someone takes legal action to recover funds they believe belong to them), or if we know or believe that there is a dispute involving someone else about who owns or control funds in the Account, we may:
- ▶ Put a hold on your Account and refuse to pay out any funds until we are satisfied that the dispute has ended
 - ▶ Send the funds to the person who we have good reason to believe is legally entitled to them
 - ▶ Continue to rely on the current records we hold about you;
 - ▶ Apply for a court order; or
 - ▶ Take any action we feel is necessary to protect us
 - ▶ If we have acted reasonably, we will not be liable to you for taking any of these steps.

Closure of Your Account

- 45.1 You may close your Account at any time by writing to us.
- 45.2 We can close your account immediately in the following circumstances:

- ▶ You behave improperly towards our staff, either on our premises or when using our services – for example, you behave in a threatening or abusive way.
- ▶ You gave us false or misleading information when you opened your account that would have influenced our decision to approve it.
- ▶ We have reasonable grounds to suspect that your account has been, is being, or will be used in

connection with criminal activity. This will include, for example, if you use your account for economic crime (such as money laundering, fraud, bribery, corruption, funding terrorism) or for avoiding sanctions.

- ▶ We are required to do so under a court order or any other legal or regulatory requirement.
- ▶ If within a reasonable period of time, you fail to provide us with information that we need to manage your account in accordance with and as required applicable laws or regulations.

We can also close your account for any other reason by giving at least 90 days' prior notice.

If we close your account, we will tell you the reason why, unless it would be unlawful for us to do so, and we'll return any money held in your account (if applicable) along with any interest it's earned.

If either you or we close your Account then you must:

- ▶ repay any money you owe us;
- ▶ pay any interest and charges up to the date of termination of the Account;
- ▶ cancel any direct debits, standing orders and other payment orders on the Account.

- 45.3 You are entitled to receive up to 5 years of transaction history at account closure. Our policy is to provide this history electronically. Please see our website at bankofirelanduk.com for more information.

We will consider each case separately. We will explain how we worked out your Charges. We will share our calculations with you and your advisors if you ask us to. If you ask us to, we will provide details of Charges, interest or cleared balances to help you check your Charges. We will tell you if there is a Charge for this service.

50. Full details of our Charges are available in our Schedule of Charges for Business Customers Great Britain which is on our website bankofirelanduk.com. If we intend to increase any of the Charges which apply to the running of your Account we will notify you in writing at least two

months (unless you are a Corporate Customer) before making the change.

51. We will tell you the Charge for any other service or product before we provide that service or product or at any time you ask.

Third Party Providers (Payment Accounts only)

52. A TPP may request access to your Account from time to time to provide services to you but we will only allow such access where you have authorised us to allow them access to your Account for this purpose.

53. You have a choice as to whether you allow a TPP to access information, make payments from your Account or to check the availability of funds. In order to use TPP services, your Account must be accessible online and you must be able to access your Account through our online and/or mobile banking services. You are not obliged to use TPP services but, if you do, it is your responsibility to read the terms and conditions of the TPP providing the service, and understand exactly what information will be accessed by the TPP and how it will be used by them. This should all be covered in your agreement with the TPP. A TPP must be authorised by the FCA or any European regulator to provide payment services to you.

54. About PISPs: If we receive an instruction from a PISP to initiate a payment on your Account, we will treat this as an instruction from you.

55. You can instruct a PISP to initiate a payment on your Account by following the procedures required by such PISP. If you do this, you must confirm your identity to us by using our online verification processes and your Security Credentials. Once you confirm your identity by logging in, the payment cannot be stopped.

57. You can instruct an AISP to access and hold details of your Account by following the procedures required by such AISP. If you do this, you must confirm your identity to us by using our online verification processes and your Security Credentials. 60. If you permit a TPP to access your Account(s) and/or to initiate an Account transaction (for example, a payment from your Account):

- (a) the TPP will have access to your Payment Account(s);
(b) we are not responsible for anything the TPP does;

61. We will only deny access to a TPP if we reasonably believe and have evidence that such access may be unauthorised or fraudulent. If access is denied we will notify you as soon as possible by the means we deem appropriate unless the law prevents us from doing so or we reasonably believe it would compromise our security measures.

62. At any time you wish you can cancel (a) any service that a TPP provides you that concerns your Account; or (b) any consent or permission you give a TPP that concerns your Account. You may have to follow the TPP's procedure to make sure they cancel their service or stop acting on your consent or permission. 69. The debit interest rate applied to the Account will be a variable rate and we may revise the interest rate in relation

to sums held on Call Accounts on a daily basis. Information on our latest rates can also be obtained by contacting your Account Manager.

70. We will calculate interest on Call Accounts daily and pay it to you on a semi annual basis or more or less frequently as agreed by you with us, or on the closing of such Call Account.
71. The method of calculating the actual interest on your Account is as follows:
- Interest = (P x T x R)/D
D = Denominator
P = Balance on your Account at end of the relevant Business Day
R = Variable Interest rate
T = Period of deposit in days

73. Interest on an overdrawn current account will be calculated on a daily basis on the cleared debit balance at the interest rate applicable to the account and will be charged to your Current Account monthly in arrears, on the last Business Day of the month.
74. You must operate your Current Account in credit at all times, unless we have agreed an overdraft in writing with you. An overdraft is not implied.
75. If we agree an overdraft with you, specific terms will be agreed with you in writing. You must operate your overdraft in accordance with those terms, in particular, within the agreed overdraft permission.
76. The debit interest rate on your account will reflect changes in the Bank of Ireland UK Base Rate which typically follows the Bank of England Base Rate but is not guaranteed to do so and will normally change within one Business Day of the relevant Bank of England announcement. We will send you notification of any change in the debit interest rate and pre

notification of the interest charges 14 days before they are charged to your Current Account.

77. We may charge an arrangement fee and an annual review fee for agreed overdrafts and we will tell you what the fee is before you accept the overdraft.
78. Overdrafts are repayable on demand.
79. If the payment of a Withdrawal by us creates an unauthorised overdraft on your Current Account or causes your agreed overdraft permission to be exceeded this is not to be taken as an agreement to any further unauthorised borrowing in the future.
80. If you do not operate your Current Account within an agreed overdraft limit at any time during a Standard Charging Month, you will be charged interest, calculated on a daily basis, on the amount by which you exceed the agreed overdraft limit:
- ▶ at the interest rate agreed between you and the Bank; and
 - ▶ at the Bank's Surcharge Rate.
81. If you overdraw without any prior overdraft agreement, you will be charged interest on the entire overdrawn balance:
- ▶ at the Bank's Unauthorised Overdraft Rate prevailing from time to time; and
 - ▶ at the Bank's Surcharge Rate.
82. Interest and surcharge will be calculated on a daily basis. Where there is a prior overdraft agreement which has been exceeded, that part of the overdrawn balance which falls within the agreed overdraft limit will continue to be charged at the agreed overdraft rate.
83. Your Current Account must operate in credit for not less than 30 days during any period of 12 months.

Terms and Conditions for Telegraphic Transfer and CHAPS payments

91. We agree to act on your instruction to process the payment as detailed on the relevant application form subject to, and in accordance with, these Terms and Conditions. These Terms and Conditions regulate the payment of telegraphic transfers on your Account and are in addition to the terms and conditions which apply to the

operation of your Account. In the event of any conflict or ambiguity, these Terms and Conditions shall prevail.

92. These are our standard Terms and Conditions upon which we intend to rely. For your own benefit and protection, you should read these Terms and Conditions carefully before completing an application form to request a telegraphic transfer. If you do not understand any point, please ask us for further information.

Your Responsibilities

93. You must exercise reasonable care in issuing instructions to the Bank and you agree to abide by these Terms and Conditions at all times. Handwritten applications will not be accepted.

94. It is your responsibility to correctly and fully complete the application form and provide us with any supporting documentation and/or information we may require. Failure to do so may result in the nonapplication, or delayed application of instructions, for which the Bank is not liable. It may also result in the return of the application form for correction. Furthermore, you acknowledge that we are under no obligation to check whether the unique identifiers (e.g. beneficiary IBAN, sort code, SWIFT code, BIC, etc.) or other information provided by you in the application form are correct and, we accept no liability whatsoever for any losses incurred by you or any third party as a result of your failure to correctly complete the application form.

95. Your address information will be sent with all SEPA payments destined for the following non- EEA countries – Switzerland, San Marino, Monaco, Mayotte, Jersey, Guernsey, Saint-Pierre-et-Miquelon and Isle of Man. A SEPA payment for one of the above countries which does not have this information will not be sent. For all other SEPA payments, your address will not be sent with the payment. The Bank accepts no liability for payments which are not sent.

96. You hereby authorise the Bank to make any correcting entries on your Account without your prior approval in the event that the Bank or any third party over-credits or under-debits your Account by mistake in respect of your instructions in the application form.

97. Your application must be signed in accordance with the Mandate/Indemnity held by the Bank.

98. Cleared funds must be available on the Account to meet all proposed transfers of funds.

Our Responsibilities

99. We will carry out such checks as we believe necessary and/or appropriate to confirm your identity and to otherwise comply with our legal and regulatory obligations.

100. The Bank is not responsible for non-payment, delay in application of payment or misapplication of payment instructions arising from circumstances outside its control, including but not limited to:

- ▶ your failure to fully and accurately complete the application form;
- ▶ technical failure, interruption or breakdown in routing payments (including Bank of Ireland systems, overseas banking systems, intermediary systems and those of intermediary banks and/or receiving banks);
- ▶ riots, wars, acts of terrorism, civil disturbances, strikes, industrial disputes, acts or omissions of government (whether local or national), explosions,

fires, earthquakes, storms, floods or other natural catastrophes; and

- ▶ errors, omissions or delays on the part of intermediary banks and/or the receiving banks.

Transactions

101. Cut-off times will vary depending on the service options selected by you. We will inform you of the relevant cut-off times when you ask us to make the payment. Where we receive your instruction:

- ▶ before the cut-off time on any Business Day, we will treat your instruction as being received by us on the same Business Day;
- ▶ after the cut-off time on any Business Day, we will treat your instruction as being received by us on the next Business Day;
- ▶ out of normal working hours, we will treat your instruction as being received by us on the next Business Day.

102. If we receive your payment instruction before the relevant cut-off time, we will process the payment from your Account on the Business Day (“D”) that we receive it (unless you have requested that it should be paid on a date in the future). Refer to the Transaction Information Box for information on processing times. If you instruct us to make a payment from your Account to an account that is denominated in a different currency we may carry out a currency conversion at the prevailing market rate.

103. Once we have received your instruction to make a payment, you will not be able to cancel it once the payment has left your Account. Whilst we cannot guarantee that any request subsequently received from you to cancel the payment can be complied with, we may in certain circumstances agree to cancel and refund the amount of a payment net of any costs and/or expenses at the current rate of exchange (if applicable). Please speak to our Customer Service Team or your Account Manager for further information.

104. We may refuse to act on your payment instructions where:

- ▶ your instructions are unclear, incomplete or are not in the required form (e.g. they do not contain the beneficiary IBAN, sort code, SWIFT code, BIC, Account number, etc. or any other information that we need to process the transaction); or
- ▶ your instructions are not authorised in accordance with the Mandate/Indemnity held by the Bank; or
- ▶ we suspect fraudulent or other unlawful activity on the Account; or to do so would put us in breach of a legal or regulatory requirement which applies to us.

If we refuse to process an instruction for any reason, we will on request tell you why we refused the transaction. We do not accept any liability for losses where we refuse to process an instruction.

105. We will provide you with details of the payment transaction (once executed) on your Account statement in the manner and frequency as specified in your Account terms and conditions. You should always check your statement to make sure the transaction has been executed properly. If your statement has an entry which seems to be wrong, you should tell us about it without undue delay and, in any event, no later than 13 months (or such shorter timeframe as may be indicated in your

Account terms and conditions) after the transaction date so we may investigate it for you. In the event of any incorrectly executed transaction resulting from the acts or omissions of the Bank, we will refund the amount of such incorrectly executed transaction. Where any transaction is effected by the Bank in accordance with a unique identifier (e.g. sort code, Account number, BIC or IBAN) supplied by you and the unique identifier supplied is incorrect, we shall have no liability to you in respect of such transaction. We will however make all reasonable efforts to recover the funds but we may charge you in respect of any reasonable costs incurred by us in recovering the funds on your behalf.

106. If there is a dispute in relation to any payment transaction processed by us under, or in connection with, your instructions, the relevant terms and conditions of your Account shall apply. However, we reserve the right to debit from your Account the amount of any refunds (if any) paid to you where, upon further investigation, it is subsequently established that you are not entitled to a refund.
107. In the case of any dispute between you and the Bank regarding a transaction, the books and records kept by, or on behalf of, the Bank (whether kept on paper, by electronic recording or otherwise) shall, in the absence of manifest error, constitute sufficient evidence of any facts or events relied on by the Bank in connection with any matter or dealing relating to the transaction.

Charges

108. Charging options are to be indicated by you on your payment request. If a charging option is not selected, the 'shared' option will be applied:
- ▶ Shared – For payment transactions within the EEA, you must pay our Charges and the beneficiary must pay the charge(s) levied by its bank.
 - ▶ Beneficiary – Beneficiary pays our Charges and the charges levied by its bank. This option can only be selected where the beneficiary's bank is outside of the EEA.
 - ▶ Sender – You pay our Charges and the charges of the beneficiary's bank. This option can only be selected where the beneficiary's bank is outside of the EEA.
109. Details of our applicable charges for each type of payment transaction, please refer to the current Schedule of Charges for Business Customers Great Britain brochure which is available on our website at bankofirelanduk.com/business.
110. You should be aware that some foreign banks have no upper limit on payment charges and it typically takes up to 4 weeks for these charges to be claimed and passed on to you where the charging option "Sender" is selected. However, in certain cases this can take considerably longer (i.e. up to 3 months). In addition, some foreign banks may deduct a charge from the beneficiary even when you have chosen to pay all charges.
111. When a payment is returned by a beneficiary bank, you should note that the amount returned may differ from the original transaction amount because of charges deducted by that bank and/or differences in the prevailing exchange rate when returning the payment. Beneficiary bank charges are outside our control. Any charges taken by the beneficiary bank at the time the initial payment was processed will not be refunded to you in the event

that the payment is returned. If you wish to re-execute the payment transaction, our standard charge(s) will be applied.

Disclosure of Information

112. When we make an international payment on your behalf the personal data about you contained in the application form may be disclosed to the beneficiary, the beneficiary bank and any other parties involved directly or indirectly in the transmission of the payment for the purposes of processing the transaction, even where such parties are based in countries outside the EU/EEA which may not have similar levels of data protection.

Corporate Customers

- 113.
- (a) This clause applies to Corporate Customers only. By acceptance of these Terms and Conditions the Corporate Customer agrees that parts of the Payments Services Regulations shall not apply to the Corporate Customer. We explain what this means for the Corporate Customer in this clause. In the event of a conflict between this clause 113 and any other clause in these Terms and Conditions, the 365 Digital & Phone Banking Terms and Conditions or the Business On Line Conditions of Use, this clause 113 shall prevail.

Use of Security Credentials and presumption that all payments are authorised

- (b) The Corporate Customer will be responsible for ensuring that the Security Credentials are used in accordance with the relevant instructions issued by the Bank from time to time. The Corporate Customer irrevocably authorises us to act upon all instructions received through the Services which have been or appear to the Bank to have been transmitted using the Security Credentials without taking any further steps to authenticate such instructions. This means that any payments made by the Corporate Customer using the Security Credentials or initiated by the PISP on behalf of the Corporate Customer will be treated by us as authorised payments and as being correctly executed (unless the Corporate Customer can provide supporting evidence which is acceptable to us to show that the payment was not authorised). Where the Corporate Customer asserts that a transaction is unauthorised, the correct use of the Security Credentials will be sufficient evidence that the Corporate Customer acted either fraudulently, or, failed intentionally, or, failed with gross negligence to comply with the relevant instructions. Where we believe that a Corporate Customer acted fraudulently or failed with gross negligence to comply with these Terms and Conditions we will not be required to provide supporting evidence.
- (c) We will not be required to prove that the payment transaction was authenticated, accurately recorded, entered in the accounts and not affected by a technical breakdown or some other deficiency of the service provided by us. The Bank will be entitled to rely on its books and records kept by or on behalf of the Bank (whether on paper, microfilm, by electronic recording or otherwise) which shall, in the absence of manifest error, constitute sufficient evidence of any facts or events relied on by the Bank to prove that the transaction was authorised and correctly executed.

No liability for Unauthorised Transactions if Strong Customer Authentication is not required, or failure to notify that Security Credentials were lost, stolen or misappropriated

- (d) The Corporate Customer will have to pay/bear all financial losses relating to any unauthorised payment transactions resulting from the use of the Security Credentials :
1. where we did not require, or failed to accept, Strong Customer Authentication for a payment transaction or the creation of a recurring payment transaction made by either the Corporate Customer or the PISP;
 2. where we did not require, or failed to accept, Strong Customer Authentication for the request and collection of Direct Debit payment transactions where we request and collect Direct Debits on behalf of the Corporate Customer (who is the Direct Debit payee); or
 3. where the Corporate Customer (either fraudulently, intentionally or with gross negligence) failed to notify us that the Security Credentials have been lost, stolen or misappropriated (unless the loss, theft or misappropriation of the Security Credentials was not detectable to the Corporate Customer or the loss was caused by an act or omission by us or anyone acting on our behalf). The Corporate Customer acknowledges that it should notify us without undue delay on becoming aware of the loss, theft, misappropriation or unauthorised use of the Security Credentials by contacting us via the Freephone number listed on bankofirelanduk.com and after such notification, the Corporate Customer will not have to pay/bear any financial losses after notification to us (unless the Corporate Customer has acted fraudulently).

Liability for non-execution, defective or late execution of payment transactions

- (e) The Corporate Customer agrees that when we process any payment, made by the Corporate Customer, initiated by a PISP, or where we request and collect Direct Debits on behalf of the Corporate Customer (who is the Direct Debit payee) we will rely on the:
- ▶ Bank Identifier Code (or 'BIC');
 - ▶ International Bank Account Number (or 'IBAN') that includes the account number and codes to identify the country, bank and branch of an account; or
 - ▶ the Sort Code (the 6-digit code that identifies a particular bank and bank branch); and
 - ▶ Account Number (the number that identifies an account - usually 8 digits long), that is given with the payment.

We are not obliged to verify or confirm any of these details. If these details are not correctly stated by you or by the PISP or any third party, or if any of these details are not provided to us, the payment may not be processed, may be processed late or may be processed incorrectly. We are not liable to you or anyone else if that results in any loss or expense and we will not be required to retransmit any payments that should have been made.

- (f) We are not responsible for any losses caused where we can show that a payment was made by us and received by the payee's bank within the time for that type of payment shown in the Transaction Information Box or if the payment is not possible due to a regulatory or other legal reason.
- (g) Where a payment is made by us, we will not be required to trace the transaction for the Corporate Customer. We may choose to assist the Corporate Customer and trace the transaction and contact the payee's payment service provider on behalf of the Corporate Customer. If we choose to make enquiries to trace the transaction we may seek to recover such fees and charges incurred from the Corporate Customer and by accepting these Terms and Conditions the Corporate Customer agrees to pay all fees and charges once we have determined the full amount payable and advised the Corporate Customer of the amount payable;

Refund for Unauthorised Transactions

- (h) As outlined in paragraph (b) above, we will treat all payments made using the Security Credentials as authorised, however if the Corporate Customer provides supporting evidence to us that the transaction was not authorised, we will refund the account of the Corporate Customer for the amount of the transaction and restore the account to the state it would have been in but for the unauthorised transaction immediately and no later than the end of the business day after we have been notified by the Corporate Customer of the unauthorised payment transaction (which may be made by the Corporate Customer or initiated by a PISP). Such notification shall be provided to us on a date no later than 13 calendar months after the date of the authorised transaction;
- (i) We will not be obliged to refund the Corporate Customer if we have reasonable grounds to suspect that fraud has taken place and we have notified the Police accordingly;
- (j) If after we process the refund, we discover after further investigation of the matter that the payment was authorised by you, we are entitled to deduct the amount refunded from your Account and will advise you that we have done so.
- (k) Our obligation to refund the Corporate Customer in respect of an unauthorised transaction is subject to our right to set off this refund against any claim we may have against the Corporate Customer - for example any claim we may have against the Corporate Customer due to the Corporate Customer's failure to notify us that the Security Credentials have been lost, stolen or misappropriated or that the Corporate Customer has acted in a fraudulent or negligent manner.
- (l) We are not obliged to refund the Corporate Customer for payment transactions initiated by or through a payee.

Charges payable

(m) We may charge Corporate Customers for the costs we incur in complying with any of our information obligations or any corrective or preventative measures we may need to take under the payment services legislation. Please see the Schedule Charges for Business Customers for any applicable fees or charges.

For the avoidance of doubt, Payment Service Regulations 66(1), 75, 77, 79, 80, 83, 91, 92 and 93 shall not apply to the Corporate Customer.

Cheque Lodgements using the Post Office Cheque Deposit Envelope Service

For the purposes of this service the following additional definitions apply: "Envelope" means the Bank of Ireland UK special purpose paying in envelope;

"Service" means the cheque lodgement service available through Post Office® outlets.

114. The Bank is not deemed to have received any cheques in the Envelope until such time as the Envelope has been opened by the Bank, the lodgement has been balanced with the pre-printed lodgement slip and the lodgement has been credited to your Account. You agree that if there is any discrepancy between the amount stated in the pre-printed lodgement slip and the actual face value of the cheques, the Bank is authorised to amend the final total to be credited to your Account.
115. You agree that the Bank may adjust the amount credited to your Account if any cheque included in the lodgement is subsequently returned to the Bank unpaid or has been inappropriately included in the lodgement whether because it is not a sterling cheque drawn on a UK bank or for any other reason. A certificate of a Bank official stating the value of the lodgement shall be deemed to be correct in the absence of manifest error.
116. The Bank shall have no liability for any loss suffered by you as a result of the Envelope or the contents of any Envelope being delayed, lost, misplaced, mutilated, defaced or damaged by Post Office®, the Bank or any of their respective servants, agents or employees.
117. The Bank shall have no liability to you by reason of your use of this Service and you agree to indemnify the Bank in respect of any claim arising from your use of the Service.
