- All the details on our rates are correct from 30/04/2024. Our rates can be removed at any time, without notice.
- The rates you'll be able to choose from depend on the type of mortgage you have and your Loan to Value (LTV). Your LTV ratio is the amount you owe on your mortgage as a percentage of how much your property is worth. For example if you owe $£ 75,000$ and your property is worth $£ 100,000$, your LTV would be $75 \%$.
- Visit bankofirelanduk.com/hub to register and log into your hub. You'll see what your interest rate and LTV is. Or, you can visit bankofirelanduk.com/get-in-touch if you need to speak with us.
- All our fixed interest rates move onto a variable when the fixed period ends. Post Office residential mortgages move on to our Standard Variable Rate (SVR), which is currently 8.04\%. Post Office Buy to Let mortgages move on to $9.74 \%$ which is Bank of England Base Rate plus $4.49 \%$. Your mortgage will stay on the variable rate for the length of your mortgage unless you switch to another deal. You can apply for a new fixed rate six months before your current deal ends.

The total amount payable would be $£ 110,561$ made up of the loan amount plus interest ( $£ 33,440$ ), product fee ( $£ 0$ ), valuation fee ( $£ 0$ ), funds transfer fee ( $£ 0$ ), legal fee (£0) and lending fee (£195).
